Algebra 2

Athenaeum and Literary Chronicle

U.S. History

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Candide

A flamboyant and controversial personality of enormous wit and intelligence, Voltaire remains one of the most influential figures of the eighteenth-century Enlightenment. *Candide*, his masterpiece, is a brilliant satire of the theory that our world is “the best of all possible worlds.” The book traces the picaresque adventures of the guileless Candide, who is forced into the army, flogged, shipwrecked, betrayed, robbed, separated from his beloved Cunegonde, tortured by the Inquisition, et cetera, all without losing his resilience and will to live and pursue a happy life. This Modern Library edition, published to celebrate the seventy-fifth anniversary of Random House, is a facsimile of the first book ever released under the Random House colophon. It includes the timeless illustrations by Rockwell Kent, a twentieth-century artist whose wit and genius serve as a counterpart and compliment to Voltaire’s.

The Book of Jeremiah

Wm. B. Eerdmans Publishing Of the Major Prophets, Jeremiah is perhaps the least straightforward. It is variously comprised of stories about the prophet Jeremiah, exchanges between Jeremiah and Yahweh, and messages directly from Yahweh—meaning a consciousness of form is essential to the understanding of its content. At times it is written in poetry, resembling Isaiah, while at other times it is written in prose, more similar to Ezekiel. And it is without doubt the darkest and most threatening of the Major Prophets, inviting comparisons to Amos and Hosea. John Goldingay, a widely respected biblical scholar who has written extensively on the entire Old Testament, navigates these complexities in the same spirit as other volumes of the *New International Commentary on the Old Testament* series—rooted in Jeremiah’s historical context but with an eye always trained on its meaning and use as Christian Scripture. After a thorough introduction that explores matters of background, composition, and theology, Goldingay provides an original translation and verse-by-verse commentary of all fifty-two chapters, making this an authoritative and indispensable reference for scholars and pastors as they engage with Jeremiah from a contemporary Christian standpoint.

The House on Mango Street

Vintage NATIONAL BESTSELLER • A coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. *The House on Mango Street* is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes—sometimes heartbreaking, sometimes deeply joyous—Sandra Cisneros’ masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. “Cisneros draws on her rich [Latino] heritage ... and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.” —The New York Times Book Review
