No matter how hard she tries, Eleanor Fisher never thinks she's good enough, from her job to her weight to her love life. After enduring years of abuse at the hands of an ex-boyfriend, Elli has been drifting through life in a daze. Until, that is, she meets Shea Adler on a promotional shoot for the NHL's Nashville Assassins. Before Elli knows what's happening, the gorgeous Shea breaks the ice and shatters her world. A brilliant athlete inside the rink, Shea Adler is tired of the life he's living outside of it: the women, the money, the drinking. But everything changes when he meets Elli. After laying eyes on this feisty, witty, beautiful woman, he feels like he's just taken the hardest hit of his life. No matter how skeptical she is, Shea knows they are meant to be together—if only he can convince Elli to put her insecurities aside before she misses out on a shot at love. AN ASSASSINS NOVEL

Loveswept NEW YORK TIMES BESTSELLER Opposites do more than just attract in USA Today bestselling author Toni Aleo's latest Nashville Assassins novel about a very bad boy and the good girl he can't resist. The instant Piper Allen sees Erik Titov, she wants him—wants his rock-hard body, sure, but the strength and mystery that lie behind that superstar hockey jock demeanor, too. So when he sidles up to her at a bar and slinks his arm around her waist, she's lost. What follows is the wildest night of her life . . . followed by inevitable heartbreak the next morning. And then, a few weeks later, a very big surprise: two blue lines on a pregnancy test. Only a check to the head could make Erik fall for a nice girl like Piper. But since their crazy-sexy night together, he's been trying to forget about her alluring body by falling into bed with every woman in Nashville, and it's not working. So when Piper shows up at his house with a baby-bomb to drop, it doesn't take much for Erik to suggest the nuclear option: marriage. EMPTY NET

Loveswept In *New York Times* and *USA Today* bestselling author Toni Aleo's third novel in her hot Assassins series, the chiseled men of this Nashville hockey team can make anything happen when they go all out for the women they want—even turn a one-night stand into a happily ever after. Audrey Parker is up against the boards. She's stuck in a job she hates and pining for a total jerk. Meanwhile, her sister Fallon is moving out and getting married to hockey star Lucas Brooks. Where is Audrey's Prince Charming? Nothing she does

has ever seemed to be good enough for any of the men in her life. Audrey's about to hit rock bottom . . . until she wakes up next to Tate Odder. The thrill of moving up from the minors to the Nashville Assassins was a welcome distraction. But not even becoming the first rookie goalie to tally three shutouts in the Stanley Cup finals alleviates the pain. With the loss of his parents and sister weighing as heavily on his soul as ever, Tate Odder can't keep pretending he's okay. That's when he meets smart, sexy Audrey. Her gentle warmth and quirky sense of humor make him feel whole for the first time in too long. But to stay that way forever, Tate must find a way to accept his past and learn to live for love. TRYING TO SCORE

Bantam Dell Publishing Group "Fallon Parker's dream has always been to turn her family's wine company into a runaway success and eventually start a cellar of her own. Since graduating from college, she has worked relentlessly to make that dream a reality, especially after taking a chance on love—and losing. By the time Fallon becomes an official sponsor of the Nashville Assassins, she feels like all her hard work is finally paying off. And then the man who broke her heart skates back into her life. On the ice, Lucas Brooks is the NHL's leading scorer—at least when he's not in the box. Off the ice, he's a mess, with all his anger and misery bottled up inside. He threw away the most important person in his life and has regretted it ever since. But when Lucas returns to Nashville in a trade, he's determined to convince Fallon that he's a changed man. The attraction is still there. The tension is electrifying. But the odds are stacked against them—especially after Lucas finds out that Fallon has been keeping a devastating secret."--Publisher's description.

BREAKING AWAY

RUSHING THE GOAL

Introduced in Toni Aleo's Bellevue Bullies Series, it's the Sinclair brothers' big sister's turn to find love in the next installment of the New York Times and USA Today best-selling series, the Assassins. Lucy Sinclair was no stranger to pain. She grew up with three younger brothers, met a bad boy, got pregnant by him, married him, and then suffered through a nasty divorce from him. Pain. That was pain. To top it off, she even had to go through the heartbreaking divorce of her parents. Through it all, she survived. All she cared about was making sure her daughter was happy and taken care of. Despite an ex-husband hell-bent on ruining her life, she fought to overcome. She's gotten to the point that she's okay with being just okay. She never cared about herself because she never had the time. It was Angie and only Angie she focused on, but that all changed when Benji Paxton offered to help her daughter on the ice. Benji knew the moment he saw Lucy, he'd never be the same. Especially when she came with the bundle of crazy that was her daughter. His heart wasn't ready for them. After years spent sobering up and finding who he was without the alcohol, he never forgot he was being punished for not appreciating the love he had when he was younger. Because of his past, he had gotten used to being alone, a recluse, but even he had to admit it was getting old. He was lonely. Hockey wasn't enough anymore. He wanted a family; he wanted his true love, and Lucy and Angie were just that. Benji and Lucy were just two lost souls. Floating through life with no purpose. But finding each other gave them direction, a chance at a future. And that had them both Rushing the Goal to be together.

Now he's living the fast life of an NHL bachelor. He won't give his heart to any one girl, but they can have his body--all night long. The party to celebrate the start of the second half of the season was supposed to be no different from any other night. All of his professional dreams are coming true, but he can't shake the memory of the girl from that last party. He wants to see her again. For Shelli, her night with Aiden was everything she'd ever imagined it could be, and she's sure it is all about to change for them. But for that to happen...he would have to know who she was. The Dump was only the beginning. The Chase is worth waiting a lifetime for.

CLIPPED BY LOVE

Things are heating up for the Sinclair boys! With one already in the NHL, Jayden Sinclair is hoping to be next! This has been the toughest year of my life. I watched my brother go into the draft without me, my mom got divorced, and the weight of my family's issues is heavy on my shoulders. I feel like it's my job to fix everything while working my butt off in school and trying to make my game better. I have to go into the draft. It will give my family the support they need, and it will prove that I'm good enough. But to get there, I have to show I can be the best captain for the Bellevue Bullies. The spot is mine—no one can take it. First though, Jude is making me go on a brother's weekend. Innocent enough, I guess...until I see her. She's the biggest competitor I've ever faced. Not only for my spot but also my heart. It's hard to ignore someone like Baylor Moore. *** I don't lose. I can't. My dad has bred me to be the best in anything I do. I am driven, I am smart, and I am going to be the first woman in the National Hockey League. No two ways about it. I've worked too hard. I've been through too much not to have what I want. I know I can do it. I will make my dad proud, and no one will stand in the way of that. That is, until I let him in. He scares me. He makes me feel. And he could very well be the one person who can make me want more than just to win. We both have the same goal. Victory. But how do you compete against the person you want to win? It's not easy. Love isn't something you can control. It isn't like a puck that can be handled by a stick. No, it has a mind of its own and does what it wants. Neither of us saw it coming, and we really don't know if there is a way to score, especially when you're being Clipped by Love.

BOARDED BY LOVE

From New York Times and USA Today bestselling author, Toni Aleo, comes a spin off series from the Assassins: The Bellevue Bullies! Jude Sinclair here, hockey player for the Bellevue Bullies and lover of all ladies. Hockey's in my blood, and not to sound full of myself, but I'm good at it...really good. The draft is within my reach—it's mine to take—but that's not the only reason people know my name. They know me because of my way with women. They know the score, and I aim to please. I just tend to stay away from repeat performances. In other words, I don't do relationships beyond my family and friends. I'm happy with life. However, I should warn you that my story and how I see it playing out is about to change due to a certain redhead on campus. She's beautiful. Stunning. Breathtaking. She's my game changer. *** He's trouble from the moment I see him. I don't know what I'm thinking, but from the moment I meet his gaze, I'm his. It's a scary feeling. I've never trusted anyone outside my aunt and uncle—and even that took months. I didn't have it easy growing up. My mom was usually strung out, and she didn't give me a second thought. Drugs and the men who paid her were more important to her. It was horrible, but I'm stronger today. Because of my past, security is what I need most. Money assures me that I can take care of myself today, tomorrow, and next month. I don't want to ever be hungry or go without again, so I work hard for every penny. Oh, by the way, I'm Claire Anderson. I'm a hard-studying sophomore at the University of Bellevue, dancer for the school dance team, and a burlesque dancer at a club, but that's my secret. You may think you know how our story ends, but you have no clue. It's not easy falling in love... or living happily ever after. At first it may seem so, but when is anything worth having ever won without a fight? Especially when you're boarded by love.

PRE-INCIDENT INDICATORS OF TERRORIST INCIDENTS

THE IDENTIFICATION OF BEHAVIORAL, GEOGRAPHIC AND TEMPORAL PATTERNS OF PREPARATORY CONDUCT

DIANE Publishing This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

BIOTERRORISM AND BIOCRIMES

THE ILLICIT USE OF BIOLOGICAL AGENTS SINCE 1900

The Minerva Group, Inc. *The working paper is divided into two main parts. The first part is a descriptive analysis of the illicit use of biological agents by criminals and terrorists. It draws on a series of case studies documented in the second part. The case studies describe every instance identifiable in open source materials in which a perpetrator used, acquired, or threatened to use a biological agent. While the inventory of cases is clearly incomplete, it provides an empirical basis for addressing a number of important questions relating to both biocrimes and bioterrorism. This material should enable policymakers concerned with bioterrorism to make more informed decisions. In the course of this project, the author has researched over 270 alleged cases involving biological agents. This includes all incidents found in open sources that allegedly occurred during the 20th Century. While the list is certainly not complete, it provides the most comprehensive existing unclassified coverage of instances of illicit use of biological agents.*

SHORT OF WAR

MAJOR USAF CONTINGENCY OPERATIONS, 1947-1997

U.S. Government Printing Office *Since the fall of the Berlin Wall, a series of geographically localized crises caused by political, religious, or ethnic unrest; outright military aggression; and natural disasters has replaced the relative stability that characterized international relations for more than fifty years of the Cold War. For the United States Air Force (USAF), this has meant short-notice deployments, airlifts, and other operational missions conducted in reaction to local crises. Such missions--once of secondary importance to nuclear deterrence or preparations for theater war--have come to dominate Air Force operations. The result has been*

recognition that global aerospace power and mobility are central to effective American crisis intervention in the post-Cold War world. This recognition has led the U.S. Air Force to restructure itself as an Expeditionary Aerospace Force, exploiting diverse core competencies consisting of global air and space superiority, rapid global mobility, precision engagement, global attack, information superiority, and agile combat support. Via rapid-response air expeditionary forces, the U.S. Air Force can furnish global power and presence for humanitarian or combat purposes--"bombs or bread or both"--In hours to any spot on Earth. A traditional precept of USAF doctrine has been that the service must always be prepared to assess its roles and missions in light of new and ever-changing national policy and strategy. Recognizing that doctrine is largely a distillation of knowledge gained from historical experience, the Air Force Historical Research Agency has compiled this record of USAF contingency operations covering the last half-century.
