KEY=SPECKLED - JADA MORSE

FIVE GREEN AND SPECKLED FROGS

Count and sing along with five frog friends who are hungry and tired.

FIVE GREEN AND SPECKLED FROGS

A COUNT-AND-SING BOOK

[Cartwheel Books](#) A familiar song featuring five fun-loving frogs teaches children to count down from five to one! Five green and speckled frogs sat on a speckled log, eating some most delicious bugs. Yum! Yum! Preschoolers will delight in this fun, repetitious rhyme with adorable frog characters. Watch as one by one, they hop off their speckled log to one very cool ending! Priscilla Burris's distinctive frog characters puts a new spin on a favorite preschool song. Count-and-Sing books introduce preschoolers to math concepts in an interactive and engaging way. Each page features glittery foil that's so much fun!

FIVE SPECKLED FROGS

[Capstone](#) A twist on the classic song now features five frogs jumping from log to log, trying to catch a dragonfly.

FIVE LITTLE SPECKLED FROGS

[Createspace Independent Pub](#) "Five Little Speckled Frogs, sitting on a hollow log, eating some most delicious bugs. Yum, yum!" This picture book beautifully illustrates the familiar children's song through watercolor, collage and graphic design. Children and adults can easily read or sing the repetitive text while they count down from five. Watch for patterns by keeping an eye on the frogs and those "most delicious bugs."

FIVE LITTLE SPECKLED FROGS

[Hands-On Songs](#) Children are able to communicate by signing before they develop the skills necessary for speech. By teaching simple sign language to children from as young as eight months, we can help them to convey their emotions and their needs. When children begin to talk, having sign language to fall back on provides a comforting safety net. Favourite nursery rhymes and songs, with babies and toddlers, signing and miming along. Developed with the support of Lancashire C.C. Early Years and Childcare Service, and SureStart Resources Ltd. as part of their 'Sing, Sign & Rhyme' series, these books encourage actions through mime and BSL signs.

Watch as they march one by one, two by two, and all the way up to five by five toward a surprise ending! Priscilla Burris's distinctive ants put a new spin on a favorite preschool song. Count-and-Sing books introduce preschoolers to math concepts in an interactive and engaging way. This book teaches: -Counting from 1 to 5 -Counting in groups Safe for all ages.

50 FANTASTIC IDEAS FOR SMALL WORLD PROVOCATIONS

[Bloomsbury Publishing](#) Small world play offers a wide range of learning opportunities for young children. Acting out narrative and ideas through the manipulation of small or miniature equipment, tools, toys and objects helps children to respond to their environment. Play becomes representative of real-life situations and is a medium through which children can explore their own feelings about these events and experiences in a safe and productive way. The frequent inclusion of sensory elements in this play also deepens experiences. Small world play is rich in possibilities for specific, thematic, learning, such as gathering information about spaces, positions, colours and cultures. Small world play is entertaining, challenging, motivating and allows children to use their imaginations and decide on their own play choices. Many practitioners find it challenging to continually renew the play environment, but this book suggests ideas for how to ensure a meaningful play content that replicates environments or scenarios that children can connect to, using a large variety of resources from natural materials to specific props. Presented in the accessible, practical and flexible 50 Fantastics format, Judit Horvath's book is a compendium of ideas that will ensure you get the most out of small world play in your setting, without over stimulating and distracting the children involved.

TWO LITTLE BLACKBIRDS

[Capstone](#) Retelling of traditional song, with additional verses showing opposites.

LITTLE WHITE DUCK

Illustrated song lyrics about a duck and a frog on the water, and the snake that scared them away.

PLAY ACTIVITIES FOR THE EARLY YEARS

PLAY ACTIVITIES FOR THE EARLY YEARS

[Andrews UK Limited](#) Play Activities for the Early Years contains over 140 fun activities to encourage purposeful play. There are six chapters: communication, language and literacy; mathematical development; knowledge and understanding of the world; creative development; physical development; and personal, social and emotional development. PLANNING FOR CHILDREN'S PLAY AND LEARNING

MEETING CHILDREN'S NEEDS IN THE LATER STAGES OF THE EYFS

Routledge Praise for 3rd edition: 'Experienced practitioners and students will find a host of new ideas to help them create interesting environments and starting points to promote young children's learning.' - Early Years Update, April 2009 'Planning for Children's Play and Learning includes practical guidance and ideas on creating stimulating learning environments indoors and outdoors, planning exciting learning experiences.' - Early Years Update, September 2009 This new edition of Planning for Children's Play and Learning has been fully updated to reflect the revised Early Years Foundation Stage and in line with current policy and practice. It recognises the importance of play as a context for teaching, learning and assessment and links theory with practical examples to show practitioners how they can best support the children in their care. With new material on learning stories, language development, ICT and the home learning environment, the book includes practical guidance and ideas on: • creating stimulating learning environments indoors and out • planning exciting focus activities and experiences • responding to children's individual interests and supporting personalised learning • sound observational practice and how to assess children's learning and development within the EYFS framework • developing genuine partnerships with parents and learning links with home. Incorporating 'Key Points for Good Practice' within each chapter, and direct links to the EYFS, this is a key text for all practitioners working with children in the later stages of the EYFS. It is also ideal for students pursuing Qualified Teacher Status in the Early Years and EYT Status, and for those enrolled in courses in Early Childhood Studies and Foundation Degrees in Early Years.

GOOD MORNING, POND

This collection features modern illustrations for a new take on classic nursery rhymes. This oversized, stunning collection includes more than 130 nursery rhymes paired with bright illustrations to be treasured by parents and children alike.

TEDDY BEAR, TEDDY BEAR

ASL

Children are able to communicate by signing before they develop the skills necessary for speech. By teaching simple sign language to children from as young as eight months, we can help them to convey their emotions and their needs. When children begin to talk, having sign language to fall back on provides a comforting safety net. Add to the fun of signing by singing well-known nursery rhymes and songs. Even proficient speakers will long enjoy signing to a favourite song or rhyme. Simple and clear signing instructions allow anyone to join in.

THE GUARDIAN OF LORE

While drawing in class to avoid listening to a story from his painfully boring teacher at Stagwood School, 12-year old Cal sees a frog staring at him through the window. Odder than that is the fact that this frog happens to be wearing glasses. Cal and his best friend, the tactless but loyal Soy, learn that the frog (who prefers the name Deli) has sought them out for a reason. When a school administrator named Ream reveals himself to be a dragon, the boys discover that fairytales are real, and that there is magic afoot in Stagwood. With Ream on their tail, the trio must unearth a powerful tool protected by riddles and rite (the magic that fuels nightmares) to save the fate of all fairytales past. Their only means on conveyance, Cal's now-flying bed, takes them on a journey beyond the home of the fairies (a cloud floating somewhere over Iceland) to set things right. But, before Cal can defeat Ream and his kidnapped army of fairies, he has to deal with Soy's knack for arguing with magical creatures, discover the truth about Deli's identity, and earn his place as the hero of the story. The Guardians of Lore is a middle grade novel that centers around two life-long friends, infusing humor and fantasy-based riddles into a modern fairytale. This is an exceptionally written intriguing piece of work that enthralls and imbues curiosity in young readers to discover the unknown with a spirit of adventure. Ideally, this is a book for children who enjoy folklore, mythical creatures and fairy tales.

COUNTING FUN WITH CLASSIC NURSERY RHYMES

LEARN TO COUNT USING WELL LOVED NURSERY RHYMES
