Aside from questions like "tell me about yourself" or "how would you describe yourself," they will look for competent employees who know how to sell their skillset with confidence. They want to know about your weaknesses, and if those weaknesses will create any problems in their company. So, how will you do in your next job interview? Well, it's up to you. But the right information, such as the details you can find in this guide, can certainly help. **100 Questions and Answers to Help You Land Your Dream iOS Job Or to Hire the Right Candidate!** *Apress* Are you an iOS developer, looking forward to your next career move?
