Most of us value humility . . . especially in other people. But Jesus taught that humility is central to the Christian life. Author Christopher Hutchinson invites the church to follow Christ—both individually and corporately—in this high calling. A systematic and comprehensive treatment of this core tenant of Christianity, **Rediscovering Humility** is structured around the three times Jesus addresses the topic in Scripture—how it is found, embraced and applied. This insightful resource should be required reading for all seminary students so they can understand the pitfalls of leadership before they begin to pastor. Current pastors and church leaders will find Hutchinson’s critiques and suggestions helpful as they seek to create humble and healthy churches. Individuals who have lost an appreciation for humility as a central Christian virtue will be reminded of its value as the best way to grow closer to and more like Jesus. Humble Christians create healthy churches, but in today’s world of celebrity pastors and widening platforms, our churches are more than ever imitating the prideful methodologies of our culture. Through his critiques, Hutchinson also offers suggestions for how Christians can better practice and promote humility in our time. Offering a fresh and updated application of humility to our day, Hutchinson calls for a return to the path of humility as the one pilgrimage most necessary for Christian faith and life. By showing humility in in all its truth, beauty and goodness, it becomes a value worth seeking—if never fully found—on this side of heaven. **How To Recieve A Miracle and Retain It** [LoveWorld Publishing](#) Do you need a miracle—that supernatural intervention of God in the natural affairs of men that transcends human reasoning and ability? and theology professor Kyle Strobel invite you on a journey to uncover Jesus' seemingly contradictory way to power: weakness. Why do so many rock-star pastors implode under the spotlight? How have so many Christian leaders and institutions been lured by toxic and abusive power? Why are so many Christians tempted to chase worldly success and status? Because, according to Jamin Goggin and Kyle Strobel, rather than seeking kingdom power embodied by Jesus, we have embraced a form of power that is antithetical to the cross. In *The Way of the Dragon or the Way of the Lamb*, Goggin and Strobel paint a richly biblical vision of power through weakness. This revised and updated edition features a brand-new chapter for those who've been impacted by toxic and abusive power. Just North [Christian Faith Publishing, Inc.](#) As the ambulance sped out of the school parking lot, rumors at Bethany High School were going rampant. The third-hour class bell had just rung and kids were streaming out of their classes. The ambulance's flashing lights and siren could be seen and heard as it transported Doug to Bethany Memorial Hospital. "I heard it was Doug Thomas. I think he is stoned," one student remarked. "We heard he was DEAD!" two sophomores said in agreement. "This won't be the first time Doug has been stoned, but it could be his last time!" a third student chimed into the conversation. Students stood stunned at the event taking place in their school. Students had been aware that Doug and some of his friends had bragged about doing drugs from time to time, but this was bringing a reality to the student body. \*\*\*\*\* Lesam and Lejoy, invisible to the surrounding individuals, sat on the top of the lockers in Bethany High. These Ministering Angels sadly heard all the conversations about Doug. They watch solemnly as the students filed into their fourth-hour classes. "Lesam, this is happening more and more often! I feel so helpless for these unsuspecting teens. They have no idea that they are in the middle of a 'Spiritual Battle' between good and evil." Lejoy wiped a tear from her eye. "If only our commands would come down from the Lord." "You know, as Ministering Angels, we are not allowed to intervene until we are directed by God," Lesam lamented. "We have our new Charges, Lesam. We must focus on God's commands for the Stevenson family, now," Lejoy stated. They both sat silently, as the halls began once again to become void of students. The fourth-hour tardy bell rang. Love Them Anyway Finding Hope in a Divided World Gone Crazy [Charisma Media](#) Love breaks through defenses and destroys walls that divide us. Love demands more of you and me than we often want to give. It's easy to love a lovely person, but what about...them? What about that stereotype, that race, that person or group of people in a political, cultural, or socioeconomic class who don't behave like you, don't believe like you, and if you are honest...make you uncomfortable? What is love in this context? We read that Jesus broke boundaries to love the people that many detested. His love was transformative because His love saw past disagreement, indifference, and offense. Loving them? Like this? That's hard. If you consider yourself a Christian, then love should be your primary characteristic. But it seems that division defines us in our society where rage and anger abound. Today, many people see Christians as angry followers of God who are more interested in winning political arguments than loving people. If we say we follow Jesus but are not loving like Him, then what's the point? There is a better way. Using the incredible story of how Pastor Choco chose to "love them anyway" to transform the crime-ridden community of Humboldt Park in Chicago, Love Them Anyway will inspire you to love in a way you never have. This book will pave a compelling path for you to both express and experience a truly transformative love on a deep level. It will tap into your deepest desires, expose your hesitations, connect you deeper with God's love, and help you take bold steps to love the people around you—and your love will change lives. When you learn to Love Them Anyway, your passion will be redirected, your purpose will be refined, and you will see God use you in ways you could never have imagined. Love is hard. It's not convenient, and it's not always safe. But love is beautiful. Love is contagious. It breaks through defenses and destroys walls that divide us. Love is the answer. So, love them anyway. Redirect your passion, refine your purpose, and see God use you in ways you never imagined.
