KEY=COMMISSION - SANTOS TATE

The British Monopolies Commission

Routledge This book is a key example of the emergence of public choice theory by an economist who was to become one of its major exponents. It combines a detailed, critical study of the Monopolies Commission, with an analysis of the economic issues involved in monopoly supervision and control.

The efficiency of the British Monopolies Commission as viewed through two case studies

The British Monopolies Commission

British Motor Corporation Ltd. and the Pressed Steel Company Ltd.: a Report on the Merger (Monopolies Commission Reports: British Motor Corporation Ltd. and Pressed Steel Company Ltd)

In the Public Interest

Competition Policy and the Monopolies and Mergers Commission

Manchester University Press "This book will appeal to all readers interested in the development of the British economy. Its particular appeal is to students of public policy, political economy and of government regulation of the business corporation. It will find a place on courses dealing with economic and business history, mergers and acquisitions, competition law, industrial economics and business strategy."--BOOK JACKET.

BRITISH MONOPOLIES COMMISSION BY CHARLES K ROWLEY 1966

Monopoly and Restrictive Practices

Routledge The control of monopoly and restrictive practices is an important part of economic policy. The book discusses the general problem of monopoly in modern industry and examines the evolution of British policy towards monopoly and restrictive practices during the 20th century. Comparable studies with European countries and the USA are also included.
