Dutch and Flemish Schools  
Illustrated Technical Dictionary  
English, French, German, Spanish,  
Italian, Dutch  
Gay Phrase Book

## French, German, Spanish, Italian, Dutch, Portuguese, Japanese

**Burns & Oates** Updated and expanded to include Japanese, this essential guide for the gay traveller offers translations unavailable in conventional dictionaries or phrase books, in seven languages: German, French, Dutch, Italian, Spanish, Portuguese and Japanese. It has all the words and phrases for a basic gay conversation in Europe, Japan and much of Latin America, as well as sections on 'In the Bar', 'At his Place', 'On the Phone', 'Personal Ads' and 'Cruising'. Each language section contains a special 'safer sex script'.

and Allied Industries in Six  
Languages

English, French, German, Dutch,  
Spanish, and Italian

**Elsevier Science Limited** The first edition of this dictionary, compiled by F.J.M. Wijnekus and published in 1967, was the result of years of systematic collection and preparation of thousands of terms and expressions which were until then not to be found in any other dictionary. The material was correlated for use in his daily work and, as the reputation of his private collection spread, there was an increasing demand for access to these findings. Until 1967 there was no comprehensive multilingual dictionary on the subject; former publications were incomplete and out of date and lacked clear definition - often leading to disastrous misunderstandings. Furthermore, the subject of printing, paper and ink technology had never been dealt with, in dictionary form, in relation to other aspects of the graphic industry. This new work, prepared by F.J.M. Wijnekus and his son, has been considerably up-dated. Much time has been devoted to checking the material against the most reliable and authoritative sources. The usefulness of the work has been further enhanced by the addition of Spanish and Italian to the original languages of English, French and German. The first edition was received with much enthusiastic praise and this new

dictionary will undoubtedly continue to be an invaluable tool for all those working with the printed word in the widest sense. It is a reference work which should be in the hands of all those in any way connected with the printing industry, paper manufacturers, ink manufacturers, printers, bookbinders, publishers, lithographers, lay-out men and graphical research institutes.

From the French, Spanish,  
Portuguese, Italian, Swedish,  
German, and Dutch (Classic  
Reprint)

**Forgotten Books** Excerpt from Translations in Verse: From the French, Spanish, Portuguese, Italian, Swedish, German, and Dutch E took Saragossa in the year eighteen-nine. I was sergeant: a terrible day's work was mine. The town was captured - the houses by storm we took That still closely shut up had a treacherous look. From their windows the shots in showers came rain ing Tis the fault of the priests the men muttered, com plaining So that when in the distance we saw them in flight, Although hard we had fought from the first dawning light, With our eyes by dust blinded, mouths bitter and black From the cartridge's sombre kiss 'midst the

smoke's rack. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. A Polyglot of Foreign Proverbs  
Comprising French, Italian, German,  
Dutch, Spanish, Portuguese, and  
Danish, With English Translations,  
and a General Index (Classic  
Reprint)

**Forgotten Books** Excerpt from A Polyglot of Foreign Proverbs: Comprising French, Italian, German, Dutch, Spanish, Portuguese, and Danish, With English Translations, and a General Index While engaged in editing my Handbook of English Proverbs, it occurred to me that a Collection of Foreign Proverbs, arranged in monographs, and brought as far as possible into juxtaposition by a General Index, would be an interesting volume, as well to the ordinary reader as to the linguist. And it happened that more than one public writer, in reviewing my Handbook, suggested nearly the same idea, which determined me to realise it as speedily as other engagements would permit. After a lapse of more than two years, and much patient labour, during intervals of business or hours snatched from repose, I am enabled to present my gleanings to the public, and hope they will not be found deficient of grain. It will be seen that many of the proverbs are quite new to the English reader, and that others, hitherto supposed to be essentially, if not exclusively, English, are common to several languages. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-

the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. ## Most Capital and Valuable Collection of Italian, Venetian, Spanish, French, German, Flemish, Dutch and English Pictures Dictionary of Surface Active Agents, Cosmetics, and Toiletries English, French, German, Spanish, Italian, Dutch, Polish

**Elsevier Science Limited** This dictionary offers 686 terms with their equivalents in the principal languages used in the industry, namely: English, French, German, Spanish, Italian, Dutch and Polish. An important and useful addition, is the inclusion of definitions of scientific terms, again with their multilingual equivalents provided. The author has aimed at a high standard of accuracy and precision, an aim which has been achieved with the help of many specialists from the International Commission of Terminology.
