complement the syllabus to increase your understanding. **CIMA F2 Financial Management Study Text** BPP Learning Media CIMA offers a business qualification with a finance focus, aiming to produce members with accounting prowess who are skilled in strategic decision-making. 98% of its members work in business, the highest proportion of any worldwide accountancy body. Paper F2 Financial Management replaces Paper P8 Financial Analysis. The syllabus is very similar to old Paper P8, but students will now meet elementary groups at Paper F1 level prior to studying F2. The syllabus specifically includes share-based payments and the emphasis of ratios has now changed from calculation to interpretation. The main syllabus areas have been changed to: * Group financial statements * Issues in recognition and measurement * Analysis and interpretation of financial accounts * Developments in external reporting The Study Text focuses on the exam. It provides clear and detailed coverage of the syllabus. Exercises within each chapter cover both basic principles and more detailed issues. In the area of consolidation, these include both complex groups and changes in group structure during the year. Accounting standards are explained and their practical implementation illustrated and tested through appropriate questions. **CIMA E1 Enterprise Operations Study Text** BPP Learning Media CIMA offers a business qualification with a finance focus, aiming to produce members with accounting prowess who are skilled in strategic decision-making. 98% of its members work in business, the highest proportion of any worldwide accountancy body. The CIMA E1 exam covers a variety of topics that are unrelated but are all essential to the running of a successful business. There is a strong theoretical basis to this subject and it is important that students understand how to apply these theories in the 'real world'. The key E1 subject areas are: * The global business environment * Information systems * Marketing * Managing human capital. The E1 Study Text comprehensively covers all the E1 syllabus areas. It breaks down each topic into manageable chunks and clearly describes all relevant theories. The questions in the question bank demonstrate how these theories should be applied in an exam situation. **F1 Financial Reporting and Taxation - CIMA Practice Exam Kit Financial Management 2010** Elsevier HELPING YOU PREPARE WITH CONFIDENCE, AVOID PITFALLS AND PASS FIRST TIME CIMA's Exam Practice Kits contain a wealth of practice exam questions and answers, focusing purely on applying what has been learned to pass the exam. Grzegorz Narozanski "Just wanted to let you know that I passed all 3 exams using the textbook and your mock*

exams which I found really helpful, thanks!" Nneoma Nwaogu "I would also like to extend my great gratitude for such a wonderful study text; they made my understanding of CIMA P1 much easier. Once more thank you very much to the Team." Mthuthuzeli September "I received the fantastic news this morning that I have finally passed T4!! Many thanks for your support and advice in the lead up to the exam, I am certain that without the really important tips on exam strategy you provided I would not have passed. Many thanks again!" Babak Fardaghaie "So I managed a 76% pass for E2 using your notes. They are very well structured and easy to use. Thank you so very much." Amanda Vakalisa "The Astranti method of teaching is systematic and easy to follow. I gained a lot of knowledge and regret not enrolling with Astranti for my earlier CIMA exams. After the course I was confident about my preparation. I would recommend the course to everyone sitting the T4b exam especially the MARKED mocks. Its the section by section detailed feedback from tutors that helps to improve and gain confidence." Gunjan Nagpal "I have cleared all 3 strategic level papers in my first attempt. I used the Astranti learning material during my final revision. They were short, precise and saved a great amount of time which made all the difference for me in the exam. Thank you very much." Raj

CIMA F1 Financial Reporting Study Text I was very impressed with the quality of the materials. They were so well written and much easier to understand than my previous provider's official texts. So much so that I passed my E2 exam gaining my highest grade so far using Astranti's study text. - Gayle June 2019

Simple, easy to understand and very effective, notes are logical and very easy to follow. - Monique June 2019

I like how it's condensed and easy to read. - Paul December 2020

After having cancelled my P1 and E1 exams because I was failing to understand the concepts under another tuition provider I decided to use Astranti books. These are well explained with detailed examples. I managed to pass my subjects on first time attempts. - Isheunesu December 2021

What I really liked were Astranti's Study texts. They were written in this engaging, interactive way which I personally found very interesting (I usually zone out and get really bored) when I have to read extremely theoretical content. - Clare December 2020

guides and extensive question practice **Financial Accounting, Reporting, and Analysis** Oxford University Press Are you looking for an engaging, decision-focused approach to financial reporting that encourages students to develop their interpretative skills? Building on the success of the first edition, this textbook takes a 'how, why, what' approach to financial accounting, interwoven in each chapter. From chapter one, students understand how financial information is prepared and presented, why it is prepared and presented in this way, and what the resulting financial information means for users. Designed for students taking a step beyond their introductory financial accounting training, the textbook equips them with all the key tools they will require when they enter professional practice. Reflective of the latest International Financial Reporting Standards (IFRS) and International Accounting Standards (IAS), this textbook delivers concise, clear explanations of all the key issues in accounting standards that students need to know. Content maps to professional accounting body syllabi, making this the perfect choice for accounting courses which offer exemptions. Chapters are rich with 3 types of examples to enhance understanding: - Illustrative examples of real-world situations; - Worked examples demonstrating the calculation of figures required for financial statements; - Extracts from company annual reports demonstrate how the theory relates to financial reporting in practice. More engaging, more balanced, and more applied than other offerings, this is exactly the textbook your financial reporting students need! An extensive Online Resource Centre accompanies the textbook and includes: For students: DT Solutions to all the end-of-chapter questions in the book including walkthroughs of solutions to key questions; DT Additional graded questions including professional body questions; DT Additional interpretative case studies based on real-life companies; DT A guided tour through a company report DT Specific study skills tips for accounting students For lecturers: DT Customisable PowerPoint slides DT Solutions to all the additional online questions DT Outline solutions to the interpretative case studies DT Group discussion questions **The Factory Buildings CIMA BA3 Fundamentals of Financial Accounting Passcards** Passcards are a handy and portable revision tool.
