Letters From a Slave Girl

The Story of Harriet Jacobs

Simon and Schuster Harriet Jacobs was born into slavery; it's the only life she has ever known. Now, with the death of her mistress, there is a chance she will be given her freedom, and for the first time Harriet feels hopeful. But hoping can be dangerous, because disappointment is devastating. Harriet has one last hope, though: escape to the North. And as she faces numerous ordeals, this hope gives her the strength she needs to survive. Based on the true story of Harriet Ann Jacobs, LETTERS FROM A SLAVE GIRL reveals in poignant detail what thousands of African-American women had to endure not long ago. It's a story that will enlighten, anger, and never be forgotten.

with publishers' new books so that all readers can have access to the books they want to read. To find more books in your format visit www.readhowyouwant.com

INCIDENTS in the LIFE of a SLAVE GIRL. Written by Herself (Annotated)

Harriet Jacobs' narrative of a life as a slave girl is unabridged, and contains an additional annotation at the start of the book. This section aims to give the reader an historical context, and contains a brief History of Slavery in America, and the Abolishment of Slavery. This will help set the stage for Harriet Ann Jacobs autobiography that is to follow: "I am aware that some of my adventures may seem incredible; but they are, nevertheless, strictly true. I have not exaggerated the wrongs inflicted by Slavery; on the contrary, my descriptions fall far short of the facts. I have concealed the names of places, and given persons fictitious names. I had no motive for secrecy on my own account, but I deemed it kind and considerate towards others to pursue this course. When I first arrived in Philadelphia, Bishop Paine advised me to publish a sketch of my life, but I told him I was altogether incompetent to such an undertaking. Though I have improved my mind somewhat since that time, I still remain of the same opinion; but I trust my motives will excuse what might otherwise seem presumptuous. I have not written my experiences in order to attract attention to myself; on the contrary, it would have been more pleasant to me to have been silent about my own history. I want to add my testimony to that of abler pens to convince the people of the Free States what Slavery really is. Only by experience can any one realize how deep, and dark, and foul is that pit of abominations. May the blessing of God rest on this imperfect effort in behalf of my persecuted people!" --Linda Brent (Pseudonym used by Harriet Ann Jacobs)

Incidents in the Life of a Slave Girl

Incidents in the Life of a Slave Girl

Oxford University Press 'The degradations, the wrongs, the vices, that grow out of slavery, are more than I can describe.' Harriet Jacobs was born a slave in the American South and went on to write one of the most extraordinary slave narratives. First published pseudonymously in 1861, Incidents in the Life of a Slave Girl describes Jacobs's treatment at the hands of her owners, her eventual escape to the North, and her perilous existence evading recapture as a fugitive slave. To save herself from sexual assault and protect her children she is forced to hide for seven years in a tiny attic space, suffering terrible psychological and physical pain. Written to expose the appalling treatment of slaves in the South and the racism of the free North, and to advance the abolitionist cause, Incidents is notable for its careful

construction and literary effects. Jacobs's story of self-emancipation and a growing feminist consciousness is the tale of an individual and a searing indictment of slavery's inhumanity. This edition includes the short memoir by Jacobs's brother, John S. Jacobs, 'A True Tale of Slavery'. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Letters from a Slave Boy

The Story of Joseph Jacobs

Simon and Schuster Like his mother and grandmother before him, Joseph Jacobs was born into slavery. Joseph lives with his grandmother and sister in North Carolina, but he has not seen his mother for more than seven years. Unbeknownst to Joseph, his mother, Harriet, has been hiding from her owner in the attic of the house that Joseph lives in. But when Harriet's hiding place is in danger of being revealed, she is forced to flee north to safety only moments after being reunited with her family. Devastated by losing his mother for the second time, Joseph begins to ponder the nature of the world he lives in. Soon Joseph, seeking freedom and a place where he can be himself, follows his mother north. As he searches for answers, Joseph experiences life in Massachusetts, California, Australia, and aboard a whaling ship—but there's no place where Joseph feels that he can truly be free. In this companion novel to *Letters from a Slave Girl*, Joseph's stirring quest for freedom and identity is told through letters imagined by the author. Based on the real-life stories of Harriet and Joseph Jacobs, *Letters from a Slave Boy* is set against the backdrop of some of the most exciting and turbulent times in American history.

Harriet Jacobs

A Life

Civitas Books Provides a detailed study of the life of the nineteenth-century writer, covering her life under slavery, as a fugitive slave, and in the post-Civil War years, and her writing of the slave narrative "Incidents in the Life of a Slave Girl."

I was Born a Slave

The Story of Harriet Jacobs

Traces the life of a slave who suffered mistreatment from her master, spent years as a fugitive from slavery in North Carolina, and was eventually released to freedom with her children.

"Incidents in the life of a Slave Girl" by Harriet Jacobs

An Essay

GRIN Verlag Essay from the year 2013 in the subject English - Literature, Works, grade: 1,7, Humboldt-University of Berlin (Anglistik und Amerikanistik), course: American Literary History, language: English, abstract: Harriet Jacobs "Incidents in the life of a slave girl" was published in 1861. Harriet Jacobs tells us her story from her perspective as somebody born as a slave. "The pseudonymous narrator, Linda Brent, is caught between the brutal, exploitative bonds of slavery and the idealized, altruistic bonds of true womanhood." (Sherman, 167). Harriet Jacobs was "the first American woman known to have authored a slave narrative in the United States [...]." (Jacobs, 804). Through Harriet Jacob's story one can gain a deep insight into the hard life and into the soul and feelings of Harriet Jacobs as Linda Brent. One can learn a lot about courage, bravery, willpower and determination - briefly speaking: about a strong girl/woman who never gave up.

Incidents in the Life of a Slave Girl

Written by Herself

Harvard University Press THIS EDITION HAS BEEN REPLACED BY A NEWER EDITION. This enlarged edition of the most significant and celebrated slave narrative now completes the Jacobs family saga, surely one of the most memorable in all of American history. John Jacobs's short slave narrative, A True Tale of Slavery, published in London in 1861, adds a brother's perspective to Harriet Jacobs's own autobiography. It is an exciting addition to this now classic work, as John Jacobs presents additional historical information about family life so well described already by his sister. Importantly, it presents the people, places, and events Harriet Jacobs wrote about from the different perspective of a male narrator. Once more, Jean Yellin, who discovered this long-lost document, supplies annotation and authentication. She has also brought her Introduction up to date.

Letters from a Slave Girl

The Story of Harriet Jacobs

Turtleback Books A collection of fictional letters retells the life of Harriet Ann Jacobs, a young slave who escaped in the 1840s and became a published author.

Incidents in the Life of a Slave Girl

Clydesdale Packaged in handsome, affordable trade editions, Clydesdale Classics is a new series of essential literary works. It features literary phenomena with influence and themes so great that, after their publication, they changed literature forever. From the musings of literary geniuses like Mark Twain in *The Adventures of Huckleberry Finn* to the striking personal narrative of Solomon Northup in *Twelve Years a Slave*, this new series is a comprehensive collection of our history through the words of the exceptional few. One of the only surviving female slave narratives from the twentieth century, *Incidents in the Life of a Slave Girl* is an autobiographical account written by Harriet Jacobs. The narrative documents the extreme adversity she overcame before she eventually achieved her freedom. Born into slavery, young Harriet was taken into the care of her mother's mistress, who treated her relatively well. However, a few years later, the mistress passed away and her cruel, abusive relatives inherited Harriet. Under the pseudonym "Linda Brent," Jacobs recounts within the book the horrific injustices she encountered: sexual abuse, extreme cruelty, exploitation, being denied motherhood when her children are sold to another slave owner. In *Incidents in the Life of a Slave Girl*, Harriet's agonizing descriptions are indicative of what many other enslaved African American women suffered through during this tragic time in American history. Published in 1861, just on the brink of the Civil War, *Incidents in the Life of a Slave Girl* is a harrowing literary work bringing to light the courage, empowerment, and perseverance a young slave found in her desperate search for freedom.

The Harriet Jacobs Family Papers

UNC Press Books Although millions of African American women were held in bondage over the 250 years that slavery was legal in the United States, Harriet Jacobs (1813-97) is the only one known to have left papers testifying to her life. Her autobiography, *Incidents in the Life of a Slave Girl*, holds a central place in the canon of American literature as the most important slave narrative by an African American woman. Born in Edenton, North Carolina, Jacobs escaped from her owner in her mid-twenties and hid in the cramped attic crawlspace of her grandmother's house for seven years before making her way north as a fugitive slave. In Rochester, New York, she became an active abolitionist, working with all of the major abolitionists, feminists, and literary figures of her day, including Frederick Douglass, Lydia Maria Child, Amy Post, William Lloyd Garrison, Susan B. Anthony, Harriet Beecher Stowe, Fanny Fern, William C. Nell, Charlotte Forten Grimke, and Nathan Parker Willis. Jean

Fagan Yellin has devoted much of her professional life to illuminating the remarkable life of Harriet Jacobs. Over three decades of painstaking research, Yellin has discovered more than 900 primary source documents, approximately 300 of which are now collected in two volumes. These letters and papers written by, for, and about Jacobs and her activist brother and daughter provide for the thousands of readers of *Incidents--from scholars to schoolchildren--access to the rich historical context of Jacobs's struggles against slavery, racism, and sexism beyond what she reveals in her pseudonymous narrative. Accompanied by a CD containing a searchable PDF file of the entire contents, this collection is a crucial launching point for future scholarship on Jacobs's life and times.*

Incidents in the Life of a Slave Girl

CreateSpace Published in 1861, "Incidents in the Life of a Slave Girl" was one of the first personal narratives by a slave and one of the few written by a woman. Jacobs (1813-97) was a slave in North Carolina and suffered terribly, along with her family, at the hands of a ruthless owner. She made several failed attempts to escape before successfully making her way North, though it took years of hiding and slow progress. Eventually, she was reunited with her children. For all biography and history collections. "Slavery is terrible for men, but it is far more terrible for women," Harriet Jacobs wrote in 1861. At that time she was an escaped slave living in the north, but the Fugitive Slave Law of 1850 meant that she could no longer consider being in the northern states a guarantee of freedom or safety. Her book is an eloquent recital of the suffering that is slavery. Families broken apart; promises of freedom made but never kept; whippings, beatings, and burnings; masters selling their own children - all are recounted with precise detail and a blazing indignation. Harriet Jacobs' master started pursuing her when she was fifteen; in disgust she continually refused and avoided him. Her first attempt at revenge and escape failed: she became the lover of a local unmarried white man and had several children, but even then her master refused to sell her. Finally, in desperation, she ran away and hid in an uninsulated garret, three feet high at its tallest point with almost no air or light. She stayed there for seven years, enduring cold, heat, and a crippling lack of movement, always hoping to catch a glimpse of her children through a crack in the walls as they walked by on the road below her. At last she had a chance to escape to the North. Her story is a remarkable testimony to her strength and courage, and an unrelenting attack upon the institution of slavery.

Incidents in the Life of a Slave Girl

Written by Herself, with "A True Tale of Slavery" by John S. Jacobs

Harvard University Press John Jacobs' short slave narrative, "A True Tale of Slavery", published in London in 1861, adds a brother's perspective to Harriet Jacobs'

autobiography. This book is the enlarged edition of the most significant and celebrated slave narrative that completes the Jacobs family saga.

Gender specific forms of oppression and resistance in Harriet Jacobs's "Incidents in the Life of a Slave Girl"

GRIN Verlag Academic Paper from the year 2015 in the subject American Studies - Literature, grade: 1.0, University of Constance, language: English, abstract: "You have seen a man made a slave; you shall see how a slave was made a man." (Douglass, Jacobs, 2004) The experiences of Frederick Douglass, one of the former slaves who escaped the horrors of slavery, became one of the most widely read slave narratives and the most influential African- American text of the antebellum era. Authors like Douglass wanted not only to expose the inhumanity of the slave system, but they also gave incontestable evidence to the humanity of the African American. The question that arises is, how representative Douglass's narrative is - does he speak of "man" as a representative for people in general, or is he specifically speaking for the male slave? For the last years scholars have begun to pay more attention to issues of gender in their study of slavery and claim that female slaves faced additional burdens and even more challenges than some of the male slaves. Based on the first female slave narrative, Harriet Jacobs's Incidents in the Life of a Slave Girl, this paper will investigate how gender influences the way in which bondage can be experienced differently: what specific forms of oppression do women face in slavery, or what forms of oppression do they encounter to a larger extent than men? Claiming that this gender specific oppression results in gender specific forms of resistance, I will furthermore focus on the ways of how female slaves made a stand against this oppression. Again, Jacobs's narrative will be the basis for this investigation. Incidents is the first-person account of Jacobs's pseudonymous narrator "Linda Brent" and presents an accurate, although selective, story of her life. This paper will not discuss the relationship between Jacobs and her narrator Brent, but will consider Brent's account as autobiographical for Jacobs. For

over a century, the authenticity of Jacobs's experiences was questioned until Jean Fagan Yellin's ground breaking work proved her authorship. The basis for the following investigation will be a brief introduction of the various ways of approaching Incidents. The second part of the paper will then consider two gender specific forms of oppression: patriarchal sexual oppression, and the deprivation of identity by neglecting female slaves to live out the "virtues of womanhood". With Incidents, Jacobs breaks taboos in order to present Brent's sexual history in slavery and to emphasize the power of self-determination, motherhood and family relationships as powerful weapons of resistance.

I Was Born A Slave

The Story Of Harriet Jacobs

Traces the life of a slave who suffered mistreatment from her master, spent years as a fugitive from slavery in North Carolina, and was eventually released to freedom with her children.

Essay on Harriet Jacobs

autobiography „Incidents of a Slave girl“. How was Linda's family affected by slavery?

GRIN Verlag Essay from the year 2010 in the subject American Studies - Literature, grade: 1,2, University of Frankfurt (Main), language: English, abstract: This essay on Harriet Jacobs autobiography „Incidents of a Slave girl“ looks at how Linda Brent's family, who is the protagonist in the story, is affected by her life as a slave. Harriet Jacobs uses the pseudonym Linda Brent for herself in her autobiography written in 1861. Pseudonyms are also used throughout the narrative to describe the other characters in the book. Linda's mistress, the daughter of her grandmothers mistress was nourished from Aunt Martha's (grandmother's) breast as well as Linda's mother. The young mistress was the foster sister of Linda, they spend their childhood together and played together as if they were normal siblings. By the age of six, from the talk around her Linda learns as a child that she is a slave. So when Linda gets older she has to serve her foster sister and the relationship changes. Linda in some cases at first grew up very privileged compared to other slaves. By her mistress she is taught to read and to write. For those reasons Linda mentions that she tries not to be angry at her mistress when she dies and still leaves Linda in the status as a slave.

Incidents in the Life of a Slave Girl

An Autobiography of a Fugitive Slave

Incidents in the Life of a Slave Girl - Written by Herself - Harriet Ann Jacobs aka Linda Brent - A True Story of American Slavery - Incidents in the Life of a Slave Girl is a slave narrative that was published in 1861 by Harriet Ann Jacobs, using the pen name "Linda Brent." The book is an in-depth chronological account of Jacobs's life as a slave, and the decisions and choices she made to gain freedom for herself and her children. It addresses the struggles and sexual abuse that young women slaves faced on the plantations, and how these struggles were harsher than what men suffered as slaves. The book is considered sentimental and written to provoke an emotional response and sympathy from the reader toward slavery in general and slave women in particular for their struggles, with rape, the pressure to have sex at an early age, the selling of their children, and the treatment of female slaves by their mistresses. Incidents in the Life of a Slave Girl is an autobiography by a young

mother and fugitive slave published in 1861 by L. Maria Childs, who bravely and generously edited the book for its author, Harriet Ann Jacobs, who used the pseudonym Linda Brent. The book documents Jacobs' life as a slave and how she gained freedom for herself and, later, for her children. In her unique demonstration of a sophisticated reading of the literature of her day, Jacobs contributed significantly to the genre of slave narrative by astutely weaving methods common in sentimental novels "to address race and gender issues." Specifically, she explores the struggles and sexual abuse that female slaves faced on plantations and generally in slavery, as well as their efforts to practice motherhood and protect their children within slavery's constraints, where their children might be sold away. In the text, Jacobs makes it clear that she is speaking to White women in the North who do not fully comprehend the evils of slavery. She makes direct appeals to their humanity and although she states that she's not seeking sympathy for herself, it is apparent that she is hoping to expand their knowledge and influence their sentiments about slavery as an institution. Throughout the text there is an evident tension of wanting readers to be able to relate while simultaneously acknowledging that a complete understanding is ultimately impossible for those who have never been enslaved.

Feminist Moments

Reading Feminist Texts

Bloomsbury Publishing This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com. The challenges presented by feminism to traditional understandings of representation, normative values, power relations and the political are not simply the product of late-20th century thinking. *Feminist Moments*, in examining some of the pivotal texts in the history of feminist thought, demonstrates that these challenges emerge from a long and varied history of feminist writing. The volume brings together texts from literary and analytical works written by women and men, and from inside and outside the Western tradition, including Mary Wortley Montagu, Anna Wheeler and William Thompson, Nazira Zeineddine, Betty Friedan, Andrea Dworkin and Luisa Valenzuela. The volume is unique in offering close readings of key passages from the selected texts, making it ideal for classroom use; its original essays, all authored by specialists, will also be of interest to more advanced scholars. In juxtaposing and analysing a wide range of texts which despite their significance are rarely discussed together, *Feminist Moments* provides a fascinating historical narrative of feminist thought which will be highly valuable to students and scholars of the history of political thought, political philosophy and gender and literary studies.

Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Incidents in the Life of a Slave Girl (Annotated Edition)

Incidents in the Life of a Slave Girl is the story of Harriet Jacobs, who, for her safety, called herself Linda Brent in the narrative. Harriet begins by discussing her childhood. She does not know she is a slave until after her mother dies when she is six. Her earliest years were not unpleasant, but she is soon given to the daughter of Dr. Flint and his wife Mrs. Flint. Dr. Flint was wealthy and cruel, and Harriet and her brother William found solace only in the kindness of their elderly grandmother Aunt Marthy. This grandmother was a favorite in the southern town where the events of the story take place, and another elderly woman purchased her freedom for her when Harriet was still a child. Harriet writes of the horrors of slavery, dwelling on the theme of mothers being divided from their children and any sense of individuality or humanity in a slave being routed out by avaricious slaveholders. Her uncle Benjamin refuses to stand for the cruel treatment he receives, and eventually runs away to the north. Harriet's grandmother helps free her son Phillip as well, purchasing his freedom. As Harriet grows older, she begins to experience the lascivious persecutions of Dr. Flint. He was intoxicated by her and haunted her every step. She could not escape him and used all of her faculties to dissuade him from raping her. She could not count on Mrs. Flint for any help, however, for the mistresses of slaveholders were often jealous of the young female slaves their husbands lusted for and found their presence intolerable. Harriet finally decides that she will give herself to a white man named Mr. Sands. She had developed feelings for him and he always treated her kindly. She also knows that bearing another man's child would stave off the attentions of Dr. Flint. Harriet's plan works to some degree, but the Dr. is viciously cruel to her and tries to force her to tell him the identity of the child's father. Harriet refuses.

Cambridge University Press This is a far-ranging study which contextualises both the historical figure of Harriet Jacobs and her autobiography as a created work of art.

Incidents in the Life of a Slave Girl

A Heartbreaking Story of Harriet Jacobs in Escape for Civil Rights and Freedom

What Is Incidents In The Life Of A Slave Girl All About ? Harriet Jacobs AKA Linda Brent was born into slavery in 1813 near Edenton, North Carolina. She enjoyed a relatively happy family life until she was six years old, when her mother passed away. Jacobs's mistress, Margaret Horniblow, took her in and cared for her, teaching her to read, write, and sew. When Horniblow died, she willed the twelve-year-old Jacobs to her niece, and Jacobs's life soon took a dramatic turn for the worse. What happened that leads Harriet Jacobs to run away and soon became permanently physically disabled ? Read the whole heartbreaking story in this Incidents In The Life

Of A Slave Girl written by herself. About The Author- Harriet Jacobs Harriet Jacobs (February 11, 1813 - March 7, 1897) was an African-American writer who escaped from slavery and was later freed. She became an abolitionist and reformer. Jacobs wrote an autobiography, Incidents in the Life of a Slave Girl, published in 1861 under the pseudonym Linda Brent. The book was published in 1861 but overshadowed due to the civil war. Some readers considered as a fictional novel as Jacobs did not use her original name. Some thought the author of the book either Lydia Maria Child or the abolitionist Harriet Beecher Stowe. Only when Jean Fagan Yellin (American historian specializes in woman history & African American history) discovered historical documents that proves that Harriet Jacobs was the true author of Incidents In The Life Of A Slave Girl.

Feminism in Slave Narratives

A comparison of Frederick Douglass' "Narrative of the Life of Frederick Douglass an American Slave" and Harriet Jacobs' "Incidents in the Life of a Slave Girl"

GRIN Verlag Seminar paper from the year 2006 in the subject English - Literature, Works, grade: 1,7, University of Cologne (Englisches Seminar), course: African American Literature, language: English, abstract: The content of this paper deals with the experiences of American slaves out of a male and a female perspective to outline the relevance of feminism in anti-slavery literature. The first chapter gives an insight into the characteristics of slave narratives such as style, structure, themes and aims. Slave narratives are a product of abolitionism, but the aim of this paper is to show feministic influences as well, as the second chapter illustrates. By comparing the Narrative of the Life of Frederick Douglass an American Slave, written by himself with Harriet Jacobs' Incidents in the Life of a Slave Girl I want to show that the motifs for escape out of slavery are connected to very different factors for a slave woman compared to those of a slave man. Both Douglass and Jacobs suffer from the prevailing system of slavery, but Jacobs' female point-of-view adds the suffrage from patriarchy as well. Finally I am going to follow the question why Douglass' narrative gained more success in the 19th century than Jacobs' narrative, although both stories deal with antislavery, oppression and the struggle for freedom.

Twelve Years a Slave, Incidents in the Life of a Slave Girl

Two Outstanding Slave Narratives in One Book

Createspace Independent Publishing Platform EXCEPTIONAL EDITION This unique book contains two exceptional slave narratives: Twelve Years a Slave by Solomon Northup Incidents in the Life of a Slave Girl by Harriet Ann Jacobs. Twelve Years a Slave (1853) is a memoir and slave narrative by Solomon Northup (1808-1863?). Northup, a black man who was born free in New York state, details his being tricked to go to Washington, D.C., where he was kidnapped and sold into slavery in the Deep South. After having been kept in bondage for 12 years in Louisiana by various masters, Northup was able to write to friends and family in New York, who in turn secured his release with the aid of the state. Northup's captivating and terrifying narrative provides extensive details on the slave markets in Washington, D.C. and New Orleans, and describes at length cotton and sugar cultivation and slave treatment on major plantations in Louisiana. This work published soon after Harriet Beecher Stowe's "Uncle Tom's Cabin" (1852), to which it lent factual support, was an instant bestseller in its own right. Incidents in the Life of a Slave Girl (1861) is an autobiography by a young mother and fugitive slave, Harriet Ann Jacobs, who used the pen name Linda Brent. The book documents Jacobs' life as a slave and how she gained freedom for herself and for her children. Jacobs contributed to the genre of slave narrative . She explores the struggles and sexual abuse that female slaves faced on plantations as well as their efforts to practice motherhood and protect their children when their children might be sold away. Jacob's book is addressed to white women in the North who do not fully comprehend the evils of slavery. She makes direct appeals to their humanity to expand their knowledge and influence their thoughts about slavery as an institution. These outstanding stories are must-read of American literature.

A Civil Life in an Uncivil Time

Julia Wilbur's Struggle for Purpose

U of Nebraska Press In the fall of 1862 Julia Wilbur left her family's farm near Rochester, New York, and boarded a train to Washington DC. As an ardent abolitionist, the forty-seven-year-old Wilbur left a sad but stable life, headed toward the chaos of the Civil War, and spent most of the next several years in Alexandria devising ways to aid recently escaped slaves and hospitalized Union soldiers. A Civil Life in an Uncivil Time shapes Wilbur's diaries and other primary sources into a

historical narrative sending the reader back 150 years to understand a woman who was alternately brave, self-pitying, foresighted, petty—and all too human. Paula Tarnapol Whitacre describes Wilbur's experiences against the backdrop of Alexandria, Virginia, a southern town held by the Union from 1861 to 1865; of Washington DC, where Wilbur became active in the women's suffrage movement and lived until her death in 1895; and of Rochester, New York, a hotbed of social reform and home to Wilbur's acquaintances Frederick Douglass and Susan B. Anthony. In this second chapter of her life, Wilbur persisted in two things: improving conditions for African Americans who had escaped from slavery and creating a meaningful life for herself. *A Civil Life in an Uncivil Time* is the captivating story of a woman who remade herself at midlife during a period of massive social upheaval and change.

Incidents in the Life of a Slave Girl, by Harriet A. Jacobs; A True Tale of Slavery, by John S. Jacobs

Wiley-Blackwell These two slave narratives expand our knowledge of the differing ways males and females coped with enslavement and later ordeals in flight. This popularly-priced anthology contains the often taught Incidents in the Life of a Slave Girl by Harriet Jacobs and the recently discovered A True Tale of Slavery by John S. Jacobs, her younger brother, now reprinted for the first time. After Harriet's owner, a physician, repeatedly abused her, she escaped his sexual advances for a time by entering into a relationship with a local attorney. Her owner continued to harass her, and she sought refuge in a crawlspace where she lived in hiding. After her escape to the North, she published her narrative. John S. Jacobs "walked away" as he put it, from his owner, a congressman. He sailed on a whaling ship and educated himself. He then became a paid agent of the Anti-Slavery Society, made a lecturing trip with Frederick Douglass, and finally settled in London, where he remained until it was safe for a fugitive to return to the North. He wrote his story for a London Sunday school journal where it was published in 1861.

The Slave Girl

Createspace Independent Publishing Platform Harriet Jacobs once said, "Slavery is terrible for men, but it is far more terrible for women". Yes indeed. Men faced many hardships during slavery. They were beaten severely, starved, worked to the point where they couldn't anymore and many more sufferings. On the other hand, women also faced these similar hardships and had to suffer even more. They would have to watch their children being taken away from them and sometimes never see them again. Women had to also deal with their Master trying to sexually harass them and so on. This is the story of Harriet Ann Jacobs, a story of slavery of the 19th century, a story of terrible human suffering, and the story that, later on, played a significant role in the abolitionist movement. Slavery still continues everywhere in the world, its operational styles have changed but its brutality has remained the same, it harms human lives in the same way it used to harm in the

past. Today, there are many women (and men too) like Harriet Jacobs are suffering in slave trades in many parts of the world under our very eyes, 19th century's Harriet represents many other slave women who need to free like Harriet finally was. Hence, Harriet's story has been brought here as the 2nd volume of ABSURD's "Slave Narrative" series as a wake-up call to save the victims of slavery and to save the mankind.

UNMASKING THE SILENCE - 17 Powerful Slave Narratives in One Edition

Memoirs of Frederick Douglass,
Underground Railroad, 12 Years a
Slave, Incidents in Life of a Slave
Girl, Narrative of Sojourner Truth,

D. Green, a Runaway Slave (Jacob D. Green) Behind The Scenes: 30 Years a Slave & 4 Years in the White House (Elizabeth Keckley)

Slave Stealers

True Accounts of Slave Rescues: Then and Now

Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, Incidents in the Life of a Slave Girl, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all.

Incidents in the Life of a Slave Girl, by Harriet Ann Jacobs and L. Maria Child

Lydia Maria Child February 11,1802-october 20,1880

Createspace Independent Publishing Platform Incidents in the Life of a Slave Girl is an autobiography by a young mother and fugitive slave published in 1861 by L. Maria Child, who edited the book for its author, Harriet Ann Jacobs. Jacobs used the pseudonym Linda Brent. The book documents Jacobs' life as a slave and how she gained freedom for herself and for her children. Jacobs contributed to the genre of slave narrative by using the techniques of sentimental novels "to address race and gender issues."[1] She explores the struggles and sexual abuse that female slaves faced on plantations as well as their efforts to practice motherhood and protect their children when their children might be sold away. Jacob's book is addressed to white women in the North who do not fully comprehend the evils of slavery. She makes direct appeals to their humanity to expand their knowledge and influence their thoughts about slavery as an institution.Jacobs began composing Incidents in the Life of a Slave Girl after her escape to New York, while living and working at Idlewild, the Hudson River home of writer and publisher Nathaniel Parker Willis.[2] Portions of her journals were published in serial form in the New-York Tribune, owned and edited by Horace Greeley. Jacobs' reports of sexual abuse were deemed too shocking for the average newspaper reader of the day, and publication ceased before the completion of the narrative. Boston publishing house Phillips and Samson agreed to print the work in book form if Jacobs could convince Willis or abolitionist author Harriet Beecher Stowe to provide a preface. She refused to ask Willis for help and Stowe never responded to her request. The Phillips and Samson company closed.[3] Jacobs eventually signed an agreement with the Thayer & Eldridge publishing house, and they requested a preface by abolitionist Lydia Maria Child, who agreed. Child also edited the book, and the company introduced her to Jacobs. The two women remained in contact for much of their remaining lives. Thayer & Eldridge, however, declared bankruptcy before the narrative could be published. Lydia Maria Francis Child (born Lydia Maria Francis) (February 11, 1802 - October 20, 1880), was an American abolitionist, women's rights activist, Native American rights activist, novelist, journalist, and opponent of American expansionism. Her journals, both fiction and domestic manuals reached wide audiences from the 1820s through the 1850s. At times she shocked her audience as she tried to take on issues of both male dominance and white supremacy in some of her stories. Despite these challenges, Child may be most remembered for her poem "Over the River and Through the Wood." Her grandparents' house, which she wrote about visiting, was restored by Tufts University in 1976 and stands near the Mystic River on South Street, in Medford, Massachusetts.

Women and Freedom

Three Female Slave Narratives

Open Road Media In these classic memoirs, three indomitable women share their stories of surviving slavery and fighting for the freedom of others. Behind the Scenes: Born into slavery, Elizabeth Keckley used her talents as a seamstress to buy her freedom and eventually became Mary Todd Lincoln's dressmaker. Keckley and the first lady formed a close friendship as they endured tragedies together, including the deaths of their sons and the assassination of President Lincoln. Keckley's autobiography is an intimate portrait of life inside the White House as well as the stirring story of one woman's fight to rise above the horrors of enslavement. Incidents in the Life of a Slave Girl: From the age of six, Linda Brent grows up serving a gentle mistress who teaches her to read and write. But when she tragically dies, Linda's lecherous new master makes her life a living hell. Unable to join her two young children in their escape to the North, Linda hides in the attic above her grandmother's house. For seven years, she waits for the opportunity to reunite with her son and daughter in the land of freedom. But when the chance finally comes, Linda discovers she has yet more pain to endure. Based on the true story of Harriet Jacobs's escape from the South, this is one of American literature's most powerful indictments of the evils of slavery. The Narrative of Sojourner Truth: After escaping enslavement, Sojourner Truth sued for her son's release—the first time in American history that a black woman brought a white man to court and won. From then on, she made it her life's mission to free all those who were considered less than equal. A major force in the abolitionist and women's rights movements, Truth inspired generations with her legendary "Ain't I a Woman?" speech. She also personally met with President Lincoln in 1864. Her stirring memoir is a powerful testament to the resilience of the human spirit.

Incidents in the Life of a Slave Girl, Written By Herself

"Incidents in the Life of a Slave Girl," which was first published in 1861, was one of the first slave narratives penned by a woman. The book tells the story of Harriet Jacobs (1813-1897), a slave from North Carolina who suffered greatly (along with her family) at the hands of her ruthless owner. After several failed attempts to escape, Harriet eventually made her way north. Her journey, which involved years of hiding, was incredibly slow. She did finally reach her destination, however, and was even reunited with her children. Harriet's book is a testimony to the truth of her words that, though slavery was terrible for men, it was even worse for a woman. Due to the Fugitive Slave Law of 1850, she was not protected from recapture even after her escape. Her book provides an eloquent recital of the suffering slavery brings, from unkept promises to broken families, whippings, beatings, and burnings. The entire

narration, including stories of masters selling their own children, is recounted with both precise detail and angry indignation. The story of her master's pursuit of her (which started when she was 15), his abuse, and her a hair-raising escape is a remarkable testimony to her strength, courage, and the resilience of the human spirit.
