### A Reading and Selection Guide

Libraries Unltd Incorporated Because of their popularity, books in series are great vehicles for fostering literacy among all types of readers, who are almost always adamant about reading every title in the series—in series order. Yet traditional information sources on children's and YA literature include very little about series fiction, so librarians often have difficulty managing this literature. This guide will be a rich resource and time-saver for librarians who work with children. It introduces users to the best and most popular fiction series of today, covering more than 1,000 series with over 10,000 titles, appropriate for elementary readers. Annotations also indicate series and titles accepted by some of the popular electronic reading programs (e.g., Accelerated Reading, Reading First). A numbered list of titles in the series follows.

### The Wizard Heir

Little, Brown Books for Young Readers The sequel to The Warrior Heir by New York Times and USA Today bestselling author Cinda Williams Chima. Sixteen-year-old Seph McCauley has spent the past three years getting kicked out of one exclusive private school after another. And it's not his attitude that's the problem: it's the trail of magical accidents—lately, disasters—that follow in his wake. Seph is a wizard, orphaned and untrained, and his powers are escalating out of control. After causing a tragic fire at an after-hours party, Seph is sent to the Havens, a secluded boys' school on the coast of Maine. At first, it seems like the answer to his prayers. Gregory Leicester, the headmaster, promises to train Seph in magic and initiate him into his mysterious order of wizards. But Seph's enthusiasm dampens when he learns that training comes at a steep cost, and that Leicester plans to use his students' powers to serve his own wicked agenda. In this companion novel to The Warrior Heir, everyone's got a secret to keep: Jason Haley, a fellow student who's been warned to keep away from Seph; the enchanter Linda Downey, who knew his parents; the rogue wizard Leander Hastings; and the warriors Jack Swift and Ellen Stephenson. The only question is: Does Seph have the strength to survive this wizard war?
