## **AMERICAN SNIPER**

---

### **THE AUTOBIOGRAPHY OF THE MOST LETHAL SNIPER IN U.S. MILITARY HISTORY**

---

Harper Collins The #1 New York Times bestselling memoir of U.S. Navy Seal Chris Kyle, and the source for Clint Eastwood's blockbuster, Academy-Award nominated movie. "An amazingly detailed account of fighting in Iraq--a humanizing, brave story that's extremely readable." — PATRICIA CORNWELL, New York Times Book Review "Jaw-dropping...Undeniably riveting." —RICHARD ROEPER, Chicago Sun-Times From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.

### **DIFFERENT KINDS OF FRUIT**

---

Penguin In this funny and hugely heartfelt novel from the Newbery Honor-winning author of *Too Bright to See*, a sixth-grader's life is turned upside down when she learns her dad is trans Annabelle Blake fully expects this school year to be the same as every other: same teachers, same classmates, same, same, same. So she's elated to discover there's a new kid in town. To Annabelle, Bailey is a breath of fresh air. She loves hearing about their life in Seattle, meeting their loquacious (and kinda corny) parents, and hanging out at their massive house. And it doesn't hurt that Bailey has a cute smile, nice hands (how can someone even have nice hands?) and smells really good. Suddenly sixth grade is anything but the same. And when her irascible father shares that he and Bailey have something big--and surprising--in common, Annabelle begins to see herself, and her family, in a whole new light. At the same time she starts to realize that her community, which she always thought of as home, might not be as welcoming as she had thought. Together Annabelle, Bailey, and their families discover how these categories that seem to mean so much—boy, girl, gay, straight, fruit,

vegetable—aren't so clear-cut after all.

---

WestBow Press *Just imagine if you could actually see the Holy Spirit. What would it be like when you invite him into your heart if your heart was really a house? How would you like going on adventures and traveling to places you've only dreamed about accompanied by Jesus and all within the vastness of your own heart? Think how exciting it would be to talk to people who are in the Bible, like Moses, or wouldn't you enjoy going fishing with Peter? ## CRESCENT MOON

---

AuthorHouse *Love. What is love? The only love Kayla knows is family, and even that is rare. Gino is the destroyer of love. William has fallen in love, he loved before, but in the end, he had killed the very ones he claimed to love. Gino had ripped loved ones open and bled them dry and never thought twice about it and never once looked back. Kyle had painted entire cities in blood and, in doing so, had torn families apart and had been hunted for it, yet all have failed. Love is a monster; it makes one weak. Yet they had fallen in love. What kind of men are they? They are not men . . . They are monsters—monsters that all fear. William is a monster who love cannot fix. Kyle is a monster who one has nightmares about. Gino is a monster who make all those creatures that go bump in the night afraid. They are the ones who should be feared.*

## **A STORYTELLING OF RAVENS**

---

*Groundwood Books Ltd* “A charming tribute to the quiriness of collective nouns ... puns and wordplay abound.” — Foreword, starred review *A sloth of bears, a smack of jellyfish, a nuisance of cats* — these are some of the surprising and idiosyncratic names we have for groups of animals. Inspired by the evocative possibilities of collective nouns, also called “terms of venery,” author Kyle Lukoff and illustrator Natalie Nelson have created a picture book full of clever wordplay and delightful illustrations. Each spread features a nugget of a story using a particular term, which is accompanied by a collage illustration that serves as the visual punch line. But where did these unusual names come from? Many of them can be traced back to a book on hunting, hawking and heraldry, printed in 1486 — the *Book of St. Albans*, which has been reproduced many times since. *A Storytelling of Ravens* provides a unique opportunity to explore and rejoice in the oddities of the English language. Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.K.4 Ask and answer questions about unknown words in a text. CCSS.ELA-LITERACY.RL.K.7 With prompting and support, describe the relationship between illustrations and the story in which they appear (e.g., what moment in a story an illustration depicts). CCSS.ELA-LITERACY.RL.2.7 Use information gained from the illustrations and words in a print or digital text to demonstrate understanding of its characters, setting, or plot. CCSS.ELA-LITERACY.RL.5.7 Analyze how visual and multimedia elements contribute to the meaning, tone, or beauty of a text (e.g., graphic novel, multimedia presentation of fiction, folktale, myth, poem).

## **AMERICAN WIFE**

---

---

## **A MEMOIR OF LOVE, WAR, FAITH, AND RENEWAL**

---

*HarperCollins The widow of "American Sniper" Chris Kyle shares their private story: an unforgettable testament to the power of love and faith in the face of war and unimaginable loss--and a moving tribute to a man whose true heroism ran even deeper than the legend. In early 2013, Taya Kyle and her husband Chris were the happiest they ever had been. Their decade-long marriage had survived years of war that took Chris, a U.S. Navy SEAL, away from Taya and their two children for agonizingly long stretches while he put his life on the line in many major battles of the Iraq War. After struggling to readjust to life out of the military, Chris had found new purpose in redirecting his lifelong dedication to service to supporting veterans and their families. Their love had deepened, and, most special of all, their family was whole, finally. Then, the unthinkable. On February 2, 2013, Chris and his friend Chad Littlefield were killed while attempting to help a troubled vet. The life Chris and Taya fought so hard to build together was shattered. In an instant, Taya became a single parent of two. A widow. A young woman facing the rest of her life without the man she loved. Chris and Taya's remarkable story has captivated millions through Clint Eastwood's blockbuster, Academy Award-winning film American Sniper, starring Bradley Cooper as Chris and Sienna Miller as Taya, and because of Chris's bestselling memoir, in which Taya contributed passages that formed the book's emotional core. Now, with trusted collaborator Jim DeFelice, Taya writes in never-before-told detail about the hours, days, and months after his shocking death when grief threatened to overwhelm her. Then there were wearying battles to protect her husband's legacy and reputation. And yet throughout, friendship, family, and a deepening faith were lifelines that sustained her and the kids when the sorrow became too much. Two years after her husband's tragic death, Taya has found renewed meaning and connection to Chris by advancing their shared mission of "serving those who serve others," particularly military and first-responder families. She and the children now are embracing a new future, one that honors the past but also looks forward*

*with hope, gratitude, and joy. American Wife is one of the most remarkable memoirs of the year -- a universal chronicle of love and heartbreak, service and sacrifice, faith and purpose that will inspire every reader.*

As his crewmates reel from shock, one thing becomes irrevocably clear: Billy is deep in the throes of PTSD (Post-traumatic Stress Disorder). Born in a fishing village in northern Newfoundland in 1967, the last thing Billy thought he'd become was a soldier. With few career options available due to declining fish stocks, he joins the Canadian Armed Forces. Canada isn't at war with anyone, so he never considers the possibility of combat. His deployment on a peacekeeping mission to Bosnia changes that. There he witnesses the ravages of ethnic cleansing and engages in the savagery of war, discovering an unparalleled propensity for killing. Billy's "success" at war comes at a price—horrific images that threaten to overwhelm his mind. Though he tries to hide his condition and self-medicate, the consequences are predictable. When a personal tragedy turns his world upside down once again, he turns to the one thing he knows best: combat. The mission in Afghanistan is a success, but his PTSD symptoms return with a vengeance, leading to that terrible day off Newfoundland's coast. What emerges is a gripping portrait of one soldier's battle with PTSD, a region's struggles with the trauma that follows the loss of its central industry and way of life, and a story of family, loyalty and finding love when you least expect it.*
