The Tragedy Paper

Ember Perfect for fans of *Thirteen Reasons Why* and *Looking for Alaska*, Jennifer Weiner, #1 New York Times bestselling author, calls Elizabeth LaBan's *The Tragedy Paper* "a beguiling and beautifully written tale of first love and heartbreak." It follows the story of Tim Macbeth, a seventeen-year-old albino and a recent transfer to the prestigious Irving School, where the motto is "Enter here to be and find a friend." A friend is the last thing Tim expects or wants—he just hopes to get through his senior year unnoticed. Yet, despite his efforts to blend into the background, he finds himself falling for the quintessential "It" girl, Vanessa Sheller, girlfriend of Irving's most popular boy. To Tim's surprise, Vanessa is into him, too, but she can kiss her social status goodbye if anyone ever finds out. Tim and Vanessa begin a clandestine romance, but looming over them is the Tragedy Paper, Irving's version of a senior year thesis, assigned by the school's least forgiving teacher. Jumping between viewpoints of the love-struck Tim and Duncan, a current senior about to uncover the truth of Tim and Vanessa, *The Tragedy Paper* is a compelling tale of forbidden love and the lengths people will go to keep their secrets.

Soon his preoccupation with anonymity takes over their lives as he tries to limit the family's contact with anyone who might have ties to the foodie world. Meanwhile, Lila craves adult conversation and some relief from the constraints of her homemaker role. With her patience wearing thin, she begins to question everything: her decision to get pregnant again, her break from her career, her marriage--even if leaving her ex-boyfriend was the right thing to do. As Sam becomes more and more fixated on keeping his identity secret, Lila begins to wonder if her own identity has completely disappeared--and what it will take to get it back.

Beside Herself

Lake Union Publishing With her signature wit and charm, bestselling author Elizabeth LaBan shows how marriage doesn't necessarily follow a straight line and unexpected detours might just bring you back to the place you most want to be. When she finds out her husband cheated, Hannah Bent thinks her marriage is over. Isn't that what happens after an affair? But she's seen friends divorce, and it's not pretty. Plus, she and Joel have kids and an otherwise-happy life, and she still loves him, although begrudgingly. Furious and feeling stuck, she suggests having her own affair to even the score. Joel, desperate for forgiveness, agrees. But does she really want to go through with it? And how exactly does a married mother of two get back in the dating pool? Many awkward dates follow until she finds a deep and unexpected connection where she was least looking for it. Just as she thinks she's made a decision, her journey to happiness is waylaid by storms of doubt. But the important thing is that she's finally figuring out what she truly wants for herself, and she understands that whatever choice she makes must be hers and hers alone.

Lake Union Publishing From Elizabeth LaBan, the acclaimed author of The Restaurant Critic's Wife, comes a captivating and very funny novel about a wife and mother's fall from grace, and why keeping up appearances is not her biggest secret. Tabitha Brewer wakes up one morning to find her husband gone, leaving her no way to support herself and their two children, never mind their upscale Philadelphia lifestyle. Marshfield Memories: More Stories About Growing Up

Henry Holt and Company (BYR) A heartfelt middle grade companion to Marshfield Dreams that captures the boyhood years of twelve-year-old Ralph Fletcher in relatable episodes of everyday disappointments and triumphs. As the oldest of nine kids, Ralph was often cast as another parent to his siblings rather than as an older brother; teetering between these two conflicting roles, Ralph longed to be home alone on a sick day, but hated the emptiness of feeling left behind. He loved to play sports with his neighborhood friends but resented the skillful victories of his younger brother. Thrust into the expectations of impending adolescence, Ralph was curious about girls, but embarrassed to take part in the school square dance. This satisfying memoir offers a snapshot of those pivotal moments between grade school and high school, all while tracing the roots of Ralph Fletcher’s acclaimed storytelling. Voices from S-21

Terror and History in Pol Pot's Secret Prison

Univ of California Press The horrific torture and execution of hundreds of thousands of Cambodians by Pol Pot's Khmer Rouge during the 1970s is one of the century's major human disasters. David Chandler, a world-renowned historian of Cambodia, examines the Khmer Rouge phenomenon by focusing on one of its key institutions, the secret prison outside Phnom Penh known by the code name "S-21." The facility was an interrogation center where more than 14,000 "enemies" were questioned, tortured, and made to confess to counterrevolutionary crimes. Fewer than a dozen prisoners left S-21 alive. During the Democratic Kampuchea (DK) era, the existence of S-21 was known only to those inside it and a few high-ranking Khmer Rouge officials. When invading Vietnamese troops discovered the prison in 1979, murdered bodies lay strewn about and instruments of torture were still in place. An extensive archive containing photographs of victims, cadre notebooks, and DK publications was also found. Chandler utilizes evidence from the S-21 archive as well as materials that have surfaced elsewhere in Phnom Penh. He also interviews survivors of S-21 and former workers from the prison. Documenting the violence and terror that took place within S-21 is only part of Chandler's story. Equally important is his attempt to understand what happened there in terms that might be useful to survivors, historians, and the rest of us. Chandler discusses the "culture of obedience" and its attendant dehumanization, citing parallels between the Khmer Rouge executions and the Moscow Show Trials of the 1930s, Nazi genocide, Indonesian massacres in 1965-66, the Argentine military's use of torture in the 1970s, and the recent mass killings in Bosnia and Rwanda. In each of these instances, Chandler shows how turning victims into "others" in a manner that was systematically devaluing and racist made it easier to mistreat and kill them. More than a chronicle of Khmer Rouge barbarism, *Voices from S-21* is also a judicious examination of the psychological dimensions of state-sponsored terrorism that conditions human beings to commit acts of unspeakable brutality.

Mary Surratt

An American Tragedy

Pelican Publishing Mary Surratt's son, John Surratt, was believed to have acted in a plot with John Wilkes Booth and others to not only murder the president, but also to kill Secretary of State Seward. John Surratt was in Canada, and Booth yet to be apprehended. But Mary and others were arrested in connection with the assassination of the president. Eventually they were brought to trial by a military commission. Tried by a military tribunal despite protests by her defense lawyers that it was illegal to try a civilian before a military court, Mary and three others were tried for the crime of conspiring with Booth and found guilty. Many prominent citizens pleaded with President Andrew Johnson for a stay of Mary's execution, but he steadfastly refused. On July 7, 1865, Mary Surratt along with the other accused assassins were hanged. This book examines that event while asking whether, in its grief over the death of President Lincoln, America condemned an innocent woman.

And he is doing it brilliantly. And, just maybe, a prize-winning memoir will bring him respect, admiration, and a girlfriend . . . or at least a prom date.

Lectures on the Literature of the Age of Elizabeth And Characters of Shakespear's Plays Black Girl,/White Girl

A Novel

Harper Collins Fifteen years ago, in 1975, Genna Hewett-Meade's college roommate died a mysterious, violent, terrible death. Minette Swift had been a fiercely individualistic scholarship student, an assertive—even prickly—personality, and one of the few black girls at an exclusive women's liberal arts college near Philadelphia. By contrast, Genna was a quiet, self-effacing teenager from a privileged upper-class home, self-consciously struggling to make amends for her own elite upbringing. When, partway through their freshman year, Minette suddenly fell victim to an increasing torrent of racist harassment and vicious slurs—from within the apparent safety of their tolerant, "enlightened" campus—Genna felt it her duty to protect her roommate at all costs. Now, as Genna reconstructs the months, weeks, and hours leading up to Minette's tragic death, she is also forced to confront her own identity within the social framework of that time. Her father was a prominent civil defense lawyer whose radical politics—including defending anti-war terrorists wanted by the FBI—would deeply affect his daughter's outlook on life, and later challenge her deepest beliefs about social obligation in a morally gray world. *Black Girl / White Girl* is a searing double portrait of "black" and "white," of race and civil rights in post-Vietnam America, captured by one of the most important literary voices of our time.

Suffering and the Sovereignty of God

Crossway In the last few years, 9/11, a tsunami, Hurricane Katrina, and many other tragedies have shown us that the vision of God in today's churches in relation to evil and suffering is often frivolous. Against the overwhelming weight and seriousness of the Bible, many Christians are choosing to become more shallow, more entertainment-oriented, and therefore irrelevant in the face of massive suffering. In *Suffering and the Sovereignty of God*, contributors John Piper, Joni Eareckson Tada, Steve Saint, Carl Ellis, David Powlison, Dustin Shramek, and Mark Talbot explore the many categories of God's sovereignty as evidenced in his Word. They urge readers to look to Christ, even in suffering, to find the greatest confidence, deepest comfort, and sweetest fellowship they have ever known.

Screen Queens

Penguin The Bold Type meets The Social Network when three girls participate in a startup incubator competition and uncover the truth about what it means to succeed in the male-dominated world of tech. This summer Silicon Valley is a girls' club. Three thousand applicants. An acceptance rate of two percent. A dream internship for the winning team. ValleyStart is the most prestigious high school tech incubator competition in the country. Lucy Katz, Maddie Li, and Delia Meyer have secured their spots. And they've come to win. Meet the Screen Queens. Lucy Katz was born and raised in Palo Alto, so tech, well, it runs in her blood. A social butterfly and CEO in-the-making, Lucy is ready to win and party. East Coast designer, Maddie Li left her home and small business behind for a summer at ValleyStart. Maddie thinks she's only there to bolster her graphic design portfolio, not to make friends. Delia Meyer taught herself how to code on a hand-me-down computer in her tiny Midwestern town. Now, it's time for the big leagues--ValleyStart--but super shy Delia isn't sure if she can hack it (pun intended). When the competition kicks off, Lucy, Maddie, and Delia realize just how challenging the next five weeks will be. As if there wasn't enough pressure already, the girls learn that they would be the only all-female team to win ever. Add in one first love, a two-faced mentor, and an ex-boyfriend turned nemesis and things get...complicated. Filled with humor, heart, and a whole lot of girl power, Screen Queens is perfect for fans of Morgan Matson, Jenny Han, and The Bold Type.

The Warrior Heir

Little, Brown Books for Young Readers A teen from Ohio discovers he's the last in a long line of magical warriors chosen to fight to the death. Before he knew about the Roses, sixteen-year-old Jack lived an unremarkable life in the small Ohio town of Trinity. Only the medicine he has to take daily and the thick scar above his heart set him apart from the other high-schoolers. Then one day Jack skips his medicine. Suddenly, he is stronger, fiercer, and more confident than ever before. And it feels great—until he loses control of his own strength and nearly kills another player during soccer team tryouts. Soon, Jack learns the startling truth about himself: He is Weirind; part of an underground society of magical people who live among us. At the head of this magical society sit the feuding houses of the Red Rose and the White Rose, whose power is determined by playing The Game: a magical tournament in which each house sponsors a warrior to fight to the death. The winning house rules the Weir. As if his bizarre magical heritage isn't enough, Jack finds out that he's not just another member of Weirind—he's one of the last of the warriors, at a time when both houses are scouting for a player.
