She Has Your Eyes Lake Union Press "The continuation of *Faking It* and *Ordinary World*." **Friends of Mine DELUXE COLOR Edition** *Thirty Years in the Life of a Duran Duran Fan* Elisa Lorello's lifelong love affair with Duran Duran began like that of many other fans: staying up late watching MTV, plastering her bedroom walls with glossy posters and magazine pinups, and writing secret stories about someday becoming Mrs. John Taylor. But waiting in the darkness was a life that held more than she bargained for. Battling a negative self-image, self-imposed isolation, and troubled relationships, Elisa eventually unlocked the strength to free her and become the teacher and bestselling novelist she was meant to be. And she discovered that her Duran Duran fandom--and the power of music--was the key. Using her signature blend of humor and heartstring tugging, Elisa transports readers back to a time of synthesizers and shoulder pads, fedoras and Ferris Bueller, leather pants and Live Aid. Much more than a fan letter, *Friends of Mine: Thirty Years in the Life of a Duran Duran Fan* is a collection of stories about growing up in 1980s suburbia. It's about first loves, first losses, divorce, Generation X, family, and friendship--all set to the soundtrack of the original Fab Five. **Friends of Mine** *Thirty Years in the Life of a Duran Duran Fan* CreateSpace "Battling a negative self-image, self-imposed isolation, and troubled relationships, Elisa [Lorello] eventually unlocked the strength to free her and become the teacher and bestselling novelist she was meant to be. Why I Love Singlehood** (a Novel) Amazonencore Eva Perino is single and proud of it. Owner of *The Grounds*, a coffee shop nestled in the heart of a college town, thirtysomething Eva cherishes her comfortable life filled with quirky friends, a fun job, and no significant other. In fact, she's so content to be on her own that she started a blog about it: "Why I Love Singlehood." Yet when she hears the news of her ex-boyfriend's engagement, her confidence in her single status takes a surprisingly hard hit. So begins Eva's clumsy (and occasionally uproarious) search for love as she secretly joins an online dating site, tries her hand at speed-dating, and breaks her own rule by getting involved with one of *The Grounds*' regulars. Soon Eva is forced to figure out exactly who--or what--is the true love of her life. **Adulation** Lake Union Press **Celebrity** screenwriter Danny Masters has the world at his feet. He's dating a movie-star bombshell and his latest screenplay is a shoe-in for an Oscar. But he's feeling empty. Then he meets Sunny Smith. With few accomplishments to her credit, longtime bookstore employee Sunny Smith celebrates her fortieth birthday by setting forty goals for herself. Sleeping with her writing idol, Danny Masters, makes the list. **Faking It** Amazonencore After breaking off her engagement, thirty-something Andi Cutrone yields New England to her ex and flees home to Long Island. There, she devotes her time to teaching in the writing program at Brooklyn University and over-analyzing her past failed relationships. But then she meets Devin, a male escort whose client list seems to include at least half of the accomplished women she knows. He is handsome, charismatic, and absolutely out of her league, but she can't deny he has a certain...something. And so Andi makes him a proposition: if he will teach her to shed her sexual inhibitions, she will teach him to be a writer. He agrees, and together they embark upon an intense partnership that proves to be every bit as instructive as it is arousing. For in the midst of lessons in rhetorical theory and foreplay, Andi and Devin delve into deeper questions about truth, beauty, and self, stripping away the emotional walls each has built up. Smart, witty, and introspective, *Faking It* is an engrossing novel about two people discovering their authentic selves. **Pasta Wars** Adaptive Books Frances Mayes meets Helen Fielding in this screwball comedy about food, romance, and discovering yourself in the land of pasta.
