### Moonset

*"I stand before you in this place, and I walk towards you on this way. The way is old but the way is long, and the way is the way of power. Hear me -- hear me, and let the seal be broken " The words of an ancient ritual, summoning a devastating power which could destroy the Chaos Gate itself. If First Magus Vordegh's insanity was to be stopped, the heretics knew that they must gain control of that power. This was the final gamble, and the odds against them were monstrous. But the rebels had a new ally in the heart of Chaos's own stronghold. One man, driven by one goad -- the craving for revenge. And for revenge's sake, he was ready to unleash an apocalypse that even the gods could not withstand... Book 3 of the Star Shadow Trilogy series*

### Carolina Moonset

Forge Books Both suspenseful and deeply moving, Carolina Moonset is an engrossing novel about family, memories both golden and terrible, and secrets too dangerous to stay hidden forever, from New York Times bestselling and Emmy Award-winning author, Matt Goldman. Joey Green has returned to Beaufort, South Carolina, with its palmettos and shrimp boats, to look after his ailing father, who is succumbing to dementia, while his overstressed mother takes a break. Marshall Green's short-term memory has all but evaporated, but, as if in compensation, his oldest memories are more vivid than ever. His mind keeps slipping backwards in time, retreating into long-ago yesterdays of growing up in Beaufort as a boy. At first this seems like a blessing of sorts, with the past providing a refuge from a shrinking future, but Joey grows increasingly anxious as his father's hallucinatory arguments with figures from his youth begin to hint at deadly secrets, scandals, and suspicions long buried and forgotten. Resurfacing from decades past are mysteries that still have the power to shatter lives—and change everything Joey thought he knew. Especially when a new murder brings the police to his door... A deadly assault by a wraith, claiming to work for Moonset's most dangerous disciple, Cullen Bridger, forces the five teens to be evacuated to Carrow Mill. But when dark magic wreaks havoc in their new hometown, Justin and his siblings are immediately suspected. Justin sets out to discover if someone is trying to frame the Moonset orphans... or if Bridger has finally come out of hiding to reclaim the legacy of Moonset. He learns there are secrets in Carrow Mill connected to Moonset's origins, and keeping the orphans safe isn't the only reason the Congress relocated them...*

## Moonset

*Moonset is a collection of fine poems that intricately blends tones of the ordinary with the sublime, the workaday life with the beauties and wild swings of nature. Judy Young brushes these pages with artistic strokes, drawing for the reader visions both colorful and drab, lush and burdensome, and you see the world differently by having experienced her words and worlds.*

## Politics, Kingship, and Poetry in Medieval South India

### Moonset on Sunrise Mountain

*Cambridge University Press In this compelling new study, Whitney Cox presents a fundamental re-imagining of the politics of pre-modern India through the reinterpretation of the contested accession of Kulottunga I (r.1070-1120) as the ruler of the imperial Chola dynasty. By focusing on this complex event and its ramifications over time, Cox traces far-reaching transformations throughout the kingdom and beyond. Through a methodologically innovative combination of history, theory and the close reading of a rich series of Sanskrit and Tamil textual sources, Cox reconstructs the nature of political society in medieval India. A major intervention in the fields of South Asian social, political and cultural history, religion and comparative political thought, this book poses fresh comparative and conceptual questions about politics, history, agency and representation in the pre-modern world.*
