KEY=ST - BRADFORD HANA

THE LORD OF THE SABBATH OPENS HIS BOOK OF REVELATION

Wipf and Stock Publishers Intuitive logical thinking would suggest that Revelation should be: One biblically coherent and complete narration, That uses only natural and biblical symbols, To retell God's consistent work from beginning to end: That reveals Jesus and his resurrection as the focus: To call for decisive response from every person, For the creation which God loves and will glorify: To close God's written oracle to humankind. But almost no one has been able to demonstrate these. Through the lens of God bringing his created order from the beginning to his final Sabbath in Jesus Christ, and noticing an overlooked peculiarity of Revelation (chapter 20 is glaringly different to the rest of the chapters), the "mysteries" of Revelation are shown to be plainly manifested truths already in the Bible rather than esoteric and hidden teachings still to be deciphered. Centering Jesus in all things, Revelation filters out inconsequential and errant teachings and highlights the essential core of Judeo-Christianity to prompt a response from every person made in God's image. Poignantly, it shines a light on the current global crises--environmental, political, religious, and economic. This book's common-sense, context-first exegesis sets it apart from most other Revelation commentaries on the market.

GOY

ISRAEL'S MULTIPLE OTHERS AND THE BIRTH OF THE GENTILE

Oxford University Press Goy: Israel's Others and the Birth of the Gentile traces the development of the term and category of the goy from the Bible to rabbinic literature. Adi Ophir and Ishay Rosen-Zvi show that the category of the goy was born much later than scholars assume; in fact not before the first century CE. They explain that the abstract concept of the gentile first appeared in Paul's Letters. However, it was only in rabbinic literature that this category became the center of a stable and long standing structure that involved God, the Halakha, history, and salvation. The authors narrate this development through chronological analyses of the various biblical and post biblical texts (including the Dead Sea scrolls, the New Testament and early patristics, the Mishnah, and rabbinic Midrash) and synchronic analyses of several discursive structures. Looking at some of the goy's instantiations in contemporary Jewish culture in Israel and the United States, the study concludes with an examination of the extraordinary resilience of the Jew/goy division and asks how would Judaism look like without the gentile as its binary contrast.

MEETING ST. MARK TODAY

UNDERSTANDING THE MAN, HIS MISSION, AND HIS MESSAGE

Loyola Press A clear, concise, and respectful presentation of Mark's Gospel—and what Jesus' suffering means for us Daniel J. Harrington, SJ, is well known for his superb New Testament scholarship, but he is also highly regarded for his exceptional ability to bridge the gap between modern biblical scholarship and authentic Christian spirituality. In Meeting St. Mark Today, the final book in this series on the Gospels, Harrington has provided another straightforward, practical resource for lay Catholics who want a better understanding of this synoptic Gospel. The book begins with background information on the Evangelist and his Gospel. It moves quickly into a concise but complete narrative analysis of the Gospel, which clearly demonstrates the human side of Jesus. Part Three of the book explains how Mark's Gospel provides answers to two essential questions: What did Jesus suffer?, and Why did Jesus suffer? It also proposes answers to the universal question, Why do people suffer? The book's final section includes five meditations on suffering, based on lectionary readings from Year B (St. Mark) in the Sunday lectionary cycle. Each chapter concludes with questions for reflection and discussion, making Meeting St. Mark Today an ideal resource for individual Scripture study or group Bible study. The readings from Mark's Gospel for all Sundays and Feasts in Cycle B are listed at the end of the book. Ultimately, Meeting St. Mark Today opens the theological treasure chest of this easily overlooked Gospel, enabling us to see how Jesus' suffering and the mystery of the cross can reshape our faith and our lives.

A JESUIT OFF-BROADWAY

CENTER STAGE WITH JESUS, JUDAS, AND LIFE'S BIG QUESTIONS

Loyola Press Many of us have questions about the Bible: Can we believe the Bible? What was Jesus' mission? What is sin? Does hell exist? Is anyone beyond God's forgiveness? In *A Jesuit Off-Broadway*, James Martin, SJ, answers these questions about the Bible, and other big questions about life, as he serves as a theological advisor to the cast of *The Last Days of Judas Iscariot*. Grab a front-row seat to Fr. Martin's six months with the LAByrnth Theater Company and see first-hand what it's like to share the faith with a largely secular group of people . . . and discover, along with Martin, that the sacred and the secular aren't always that far apart.

JUDGES HERMENEIA

Augsburg Fortress Publishers This groundbreaking volume presents a new translation of the text and detailed interpretation of almost every word or phrase in the book of Judges, drawing from archaeology and iconography, textual versions, biblical parallels, and extrabiblical texts, many never noted before. Archaeology also serves to show how a story of the Iron II period employed visible ruins to narrate supposedly early events from the so-called "period of the Judges." The synchronic analysis for each unit sketches its characters and main themes, as well as other literary dynamics. The diachronic, redactional analysis shows the shifting settings of units as well as their development, commonly due to their inner-textual reception and reinterpretation. The result is a remarkably fresh historical-critical treatment of 1:1-10:5.

THIS WORLD AND THE WORLD TO COME

SOTERIOLOGY IN EARLY JUDAISM

Bloomsbury Publishing This is a distinguished list of contributors consider the issue of 'soteriology' in Second Temple literature . Did authors of Second Temple texts concern themselves with 'salvation'? If so, on what terms? What does one need 'salvation' from? And are the parameters of who is included in or excluded from 'salvation' defined? Gurtner's vision in compiling this collection is to collect contributions on a single topic as it is addressed in individual books from the Second Temple period. Working from a sound methodological basis the contributors assess the theme in different books, acknowledging that the approaches in each text are different, depending on issues of genre and provenance. This allows an acute comparison of how this topic is present across a myriad of Second Temple Jewish texts. Throughout the course of the work the notion of 'soteriology' is very broadly conceived. Whilst acknowledging the obviously Christian connotation of the term 'soteriology' the volume similarly acknowledges the usefulness of the term as an heuristic category for careful analysis. The Library of Second Temple Studies is a premier book series that offers cutting-edge work for a readership of scholars, teachers, postgraduate students and advanced undergraduates in the field of Second Temple studies. All the many and diverse aspects of Second Temple study are represented and promoted, including innovative work from historical perspectives, studies using social-scientific and literary theory, and developing theological, cultural and contextual approaches.

APOCALYPTICISM IN THE BIBLE AND ITS WORLD

A COMPREHENSIVE INTRODUCTION

Baker Books Apocalypticism is not a peripheral topic in biblical studies. It represents the central, characteristic transformation of Hebrew thought in the period of the Second Temple. It therefore constituted the worldview of Jesus, Paul, and the earliest Christians, and it is the context in which the New Testament books were written. In this volume, Frederick Murphy defines apocalypticism while discussing its origins, where it comes into play in the Hebrew Bible, and how it relates to Jesus and the New Testament.

JOB

AN ORDINARY SERVANT OF GOD

Wipf and Stock Publishers Most people think of the book of Job as an attempt to explain suffering, but they fail to see the more important issue of God's righteousness and graciousness in bringing good out of evil. The understanding offered in this book helps the reader focus accordingly on God's purpose in grace to bring Job to know Jehovah himself and his heavenly will that he might thereby be transformed and truly become a servant of God. In this respect, the book presents a paradigm of God's crucial work with all believers to make himself known to them through revelation and repentance, that they might genuinely know him as their Redeemer and be one with his exalted will. As is expressed throughout the Bible, God warmly desires that all his people serve him. The repentance that comes at the climax of the book is not the believer's repentance upon initial faith but the more crucial repentance of the mature believer for the kingdom of God. God's purpose with our lives depends, therefore, on our understanding his will and knowing our God and his righteousness. Job is an "ordinary servant of God," therefore, as a pattern to all believers.

SEARCHING HER OWN MYSTERY

NOSTRA AETATE, THE JEWISH PEOPLE, AND THE IDENTITY OF THE CHURCH

Wipf and Stock Publishers Vatican II's Declaration on the Relation of the Church to Non-Christian Religions (Nostra Aetate) transformed the Catholic view of the Jewish people and the Jewish religious tradition. Asserting that the Church discovers her link to the "stock of Abraham" when "searching her own mystery," Nostra Aetate intimated that the mystery of Israel is inseparable from the mystery of the Church. As interlocking mysteries, each community requires the other in order to understand itself. In *Searching Her Own Mystery*, noted Messianic Jewish theologian Mark S. Kinzer argues that the Church has yet to explore adequately the implications of Nostra Aetate for Christian self-understanding. The new Catholic teaching concerning Israel should produce fresh perspectives on the entire range of Christian theology, including Christology, ecclesiology, and the theology of the sacraments. To this end, Kinzer proposes an Israel-ecclesiology rooted in Israel-Christology in which a restored ecclesia ex circumcissione--the "church from the circumcision"--assumes a crucial role as a sacramental sign of the Church's bond with the Jewish people and genealogical-Israel's irrevocable election. .embed-container { position: relative; padding-bottom: 56.25%; height: 0; overflow: hidden; max-width: 100%; } .embed-container iframe, .embed-container object, .embed-container embed { position: absolute; top: 0; left: 0; width: 100%; height: 100%; }

DYING AND THE VIRTUES

Retrieving and engaging a variety of biblical, theological, historical, and medical resources, Levering journeys through the various stages and challenges of the dying process, beginning with the fear of annihilation and continuing through repentance and gratitude, suffering and hope, before arriving finally at the courage needed to say goodbye to one's familiar world. Grounded in careful readings of Scripture, the theological tradition, and contemporary culture, *Dying and the Virtues* comprehensively and beautifully shows how these nine virtues effectively unite us with God, the One who alone can conquer death.

MEETING ST. JOHN TODAY

UNDERSTANDING THE MAN, HIS MISSION, AND HIS MESSAGE

Loyola Press John's Gospel is a literary and theological masterpiece—but therein lays the problem for many people in the pew. Harrington, SJ, offers a clear, concise, and respectful presentation of this rich Gospel while bridging the gap between modern biblical scholarship and Christian spirituality. SON OF GOD

DIVINE SONSHIP IN JEWISH AND CHRISTIAN ANTIQUITY

Penn State Press In antiquity, "son of god"—meaning a ruler designated by the gods to carry out their will—was a title used by the Roman emperor Augustus and his successors as a way to reinforce their divinely appointed status. But this title was also used by early Christians to speak about Jesus, borrowing the idiom from Israelite and early Jewish discourses on monarchy. This interdisciplinary volume explores what it means to be God's son(s) in ancient Jewish and early Christian literature. Through close readings of relevant texts from multiple ancient corpora, including the Hebrew Bible, the New Testament, the Dead Sea Scrolls, Greco-Roman texts and inscriptions, early Christian and Islamic texts, and apocalyptic literature, the chapters in this volume engage a range of issues including messianism, deification, eschatological figures, Jesus, interreligious polemics, and the Roman and Jewish backgrounds of early Christianity and the authors of the Dead Sea Scrolls. The essays in this collection demonstrate that divine sonship is an ideal prism through which to better understand the deep interrelationship of ancient religions and their politics of kingship and divinity. In addition to the editors, the contributors to this volume include Richard Bauckham, Max Botner, George J. Brooke, Jan Joosten, Menahem Kister, Reinhard Kratz, Mateusz Kusio, Michael A. Lyons, Matthew V. Novenson, Michael Peppard, Sarah Whittle, and N. T. Wright.

JESUS AND VIRTUE ETHICS

BUILDING BRIDGES BETWEEN NEW TESTAMENT STUDIES AND MORAL THEOLOGY

Rowman & Littlefield Answering the call of the Second Vatican Council for moral theology to 'draw more fully on the teaching of Holy Scripture,' the authors examine the virtues that both flow from Scripture and provide a lens by which to interpret Scripture. By remaining true to both the New Testament's emphasis on the human response to God's gracious activity in Jesus Christ and to the ethical needs and desires of Christians in the twenty-first century, the authors address key topics such as discipleship, the Sermon on the Mount, love, sin, politics, justice, sexuality, marriage, divorce, bioethics, and ecology.

PRAYING WITH AMERICA

100 YEARS OF ENCOUNTERING GOD IN PRAYER WITH AMERICA MAGAZINE

Loyola Press "Prayer can be a difficult topic to write about, since trying to explain it is something like trying to pin down a butterfly. The more you seek to capture it, the more it wants to escape. In the end, what happens in prayer is incommunicable, as it happens privately, between one person and God."—from the Introduction by James Martin, SJ Prayer is our conversation with God. It is also at the heart of Ignatian spirituality. Understanding the practice and process of prayer, its various forms and expressions, is fundamental for people of faith. In one collection, *Praying with America* presents and celebrates the diversity of prayer over the past century and offers readers the wisdom and inspiration of leading Catholic thinkers on the practice of prayer. *Praying with America* provides a curated collection of wide-ranging discussions on the subject, full of practical and inspirational wisdom, by some of the best-known Jesuit writers and other spiritual luminaries, including Thomas Keating, OCSO; Henri J. M. Nouwen; William O'Malley, SJ; Daniel J. Harrington, SJ; William A. Barry, SJ; Evelyn Waugh; and many more from America, which continues to be a leading Catholic weekly, reporting on news and the lives of the faithful around the globe for more than 100 years. James Martin, SJ, who introduces the collection, is a Jesuit priest, editor-at-large at America, and author of numerous books, including *My Life with the Saints*.

KEY APPROACHES TO BIBLICAL ETHICS

AN INTERDISCIPLINARY DIALOGUE

BRILL This volume explores key approaches to the method and study of biblical ethics of the Hebrew Bible and New Testament with an interdisciplinary focus.

THE TEN COMMANDMENTS AND THE BEATITUDES

BIBLICAL STUDIES AND ETHICS FOR REAL LIFE

Rowman & Littlefield Publishers The Ten Commandments and the Beatitudes are often considered significant texts for the Christian moral life. However, most interpretations of these passages either focus on the original meaning of the text or how the texts should impact ordinary living today. In The Ten Commandments and the Beatitudes Yiu Sing Lúcas Chan brings together biblical studies and Christian ethics to look at these foundational texts in a new way. For each passage Chan asks both what the texts meant and what they mean today. He helps readers to carefully study the text's original meaning, then interpret the text within a sound ethical framework. The Ten Commandments and the Beatitudes is an excellent introduction to key concepts in biblical studies and Christian ethics that combines sound study with warmth and wisdom.

Wm. B. Eerdmans Publishing A highly regarded expert on Jewish apocalyptic texts, John J. Collins has written extensively on the subject. Nineteen of his essays written over the last fifteen years, including several previously unpublished contributions, are brought together for the first time in Apocalypse, Prophecy, and Pseudepigraphy. After an introductory essay that revisits the problem of defining Apocalypse as a literary genre, Collins deals with a number of different topics, including the relationship between apocalypse and prophecy and the troubling ethical issues raised by apocalyptic texts. Collins also examines several specific examples to show the themes and variation present in the genre. Organized in five sections, these thematic essays complement and enrich Collins's well-known book The Apocalyptic Imagination.

A PROPHET LIKE MOSES

PROPHECY, LAW, AND ISRAELITE RELIGION

Oxford University Press, USA Jeffrey Stackert addresses two of the oldest and most persistent problems in biblical studies: the relationship between prophecy and law in the Hebrew Bible and the utility of the Documentary Hypothesis for understanding Israelite religion. These topics have in many ways dominated pentateuchal studies and the investigation of Israelite religion since the nineteenth century, culminating in Julius Wellhausen's influential Prolegomena to the History of Ancient Israel. Setting his inquiry against this backdrop while drawing on and extending recent developments in pentateuchal theory, Stackert tackles the subject through an investigation of the different presentations of Mosaic prophecy in the four Torah sources. His book shows that these texts contain a rich and longstanding debate over prophecy, its relation to law, and its place in Israelite religion. With this argument, A Prophet Like Moses demonstrates a new role for the Documentary Hypothesis in discussions of Israelite religion. It also provides an opportunity for critical reflection on the history of the field of biblical studies. Stackert concludes with an argument for the importance of situating biblical studies and the study of ancient Israelite religion within the larger field of religious studies rather than treating them solely or even primarily as theological disciplines.

HOW DO CATHOLICS READ THE BIBLE?

Rowman & Littlefield Do Catholics really read the Bible? If so, how do they read it and is there anything unique about their approach? What role does the Bible play in Catholic life, teaching, and culture? As a leading Scripture scholar who also teaches students and preaches to everyday people, Fr. Daniel Harrington, S.J., has made it his life's mission to answer these and many related questions about the Bible and its relationship to Catholic life. Accessibly written, How Do Catholics Read the Bible? blends biblical scholarship with compelling personal anecdotes to equip readers with the tools they need to more fully engage Scripture and the Catholic tradition. With chapters on how the Catholic canon came to be, what the Church teaches about the Bible, appropriate methods for analyzing Scripture passages, and how to incorporate the Bible into everyday life, this book is ideal for individual or group use in parishes and classrooms. Each chapter concludes with questions for reflection and recommendations for further reading.

BUILDING OUR HOUSE ON ROCK

THE SERMON ON THE MOUNT AS JESUS VISION FOR OUR LIVES AS TOLD BY MATTHEW AND LUKE

The Word Among Us Press Jesus' Sermon on the Mount ends with the parable of the builders on rock or sand. Doing what Jesus asks results in building a life that endures; not doing it results in disaster. The choice is ours, and it's a scary one. How can we read these words so that we can know what Jesus meant and do it? In this book, Scripture scholar Dennis Hamm takes an in-depth look at the Sermon on the Mount in the Gospel of Matthew and the Sermon on the Plain in the Gospel of Luke, paying special attention to the distinctive ways these two evangelists present and interpret Jesus' teachings. Hamm helps us to hear Jesus' words in their original cultural setting as well as in the context of the Old Testament and the Gospels. In doing so, he throws new light on these teachings and suggests what they mean for us today. This book is both informative and pastoral, helping us to realize that the "you" addressed by Jesus in the Sermon is not a lonely individual but a healed and praying community, and that the one we pray to is not a long-ago and faraway Jesus of Nazareth but our living Lord and Friend.

JESUS, AN EMERGING JEWISH MOSAIC

JEWISH PERSPECTIVES, POST-HOLOCAUST

Bloomsbury Publishing USA Since Martin Buber in Two Types of Faith acknowledged Jesus as his "great brother," other Jewish writers have sought to ascertain a place for Jesus within the larger context of Jewish history. In the aftermath of the Shoah, specifically in the afflicted consciousness of humanity, Jew and Christian alike began to ask how this tragedy could have happened, especially among and against people of faith. In an effort to assure that such a tragedy never happens again, the focus of some fell upon Jesus, previously the obstacle to reconciliation, but now perceived as the obvious and most viable bridge to span the chasm and assuage the wound of anti-Jewish and anti-Christian sentiments. Still others chose to join and expand the academic quest for the historical Jesus, adding Jewish voices to the effort to explore more rigorously and objectively the figure of Jesus in historical writing. In this unique and illuminating volume, Father Daniel F. Moore presents the historical identity of Jesus through lens of such Jewish scholars as Schalom Ben-Chorin, David Flusser, Geza Vermes, and Jacob Neuser. A useful book for those interesting in ecumenical discourse and Jesus studies.

MARK'S ARGUMENTATIVE JESUS

HOW JESUS DEBATED HIS OPPONENTS USING GREEK FORMS OF ARGUMENTATION

Wipf and Stock Publishers The author claims that the gospel of Mark is a speech or sermon. To prove this he shows how Mark used many of the elements of Aristotle's rhetoric. Literary critics noticed these rhetorical features in Mark, but remained with a literary critical model of that gospel instead of a rhetorical view that the evidence called for. They continued to translate the first word of Mark, arché, as "beginning" to provide Mark's story of Jesus with a chronological beginning. The author translates Mark's first word as "guiding principle" to provide Mark's persuasive speech or sermon with a logical starting point.

ANTHROPOLOGY AND NEW TESTAMENT THEOLOGY

Bloomsbury Publishing This volume considers the New Testament in the light of anthropological study, in particular the current trend towards theological anthropology. The book begins with three essays that survey the context in which the New Testament was written, covering the Old Testament, early Jewish writings and the literature of the Greco-Roman world. Chapters then explore the anthropological ideas found in the texts of the New Testament and in the thought of its writers, notably that of Paul. The volume concludes with pieces from Brian S. Roser and Ephraim Radner who bring the whole exploration together by reflecting on the theological implications of the New Testament's anthropological ideas. Taken together, the chapters in this volume address the question that humans have been asking since at least the earliest days of recorded history: what does it mean to be human? The presence of this question in modern theology, and its current prevalence in popular culture, makes this volume both a timely and relevant interdisciplinary addition to the scholarly conversation around the New Testament.

CHRISTIAN ETHICS AND THE CHURCH

ECCLESIAL FOUNDATIONS FOR MORAL THOUGHT AND PRACTICE

Baker Academic This book introduces Christian ethics from a theological perspective. Philip Turner, widely recognized as a leading expert in the field, explores the intersection of moral theology and ecclesiology, arguing that the focus of Christian ethics should not be personal holiness or social reform but the common life of the church. A theology of moral thought and practice must take its cues from the notion that human beings, upon salvation, are redeemed and called into a life oriented around the community of the church. This book distills a senior scholar's life work and will be valued by students of Christian ethics, theology, and ecclesiology.

SEX, WIVES, AND WARRIORS

READING OLD TESTAMENT NARRATIVE WITH ITS ANCIENT AUDIENCE

Wipf and Stock Publishers Why and how should we read Old Testament narrative? This book provides fresh answers to these questions. First, it models possible readers of the Bible--religious and nonreligious, professional and nonprofessional--and the reasons that might attract them to it. Second, with the aid of Mediterranean anthropology, it sets out an approach that helps us to interpret a selection of narratives with a cultural understanding close to that of an ancient Israelite. Powerful stories, such as those of Tamar and Judah in Genesis 38, Hannah in 1 Samuel 1-2, Saul and David in 1 Samuel, David and Bathsheba in 2 Samuel 10-12, and Judith, burst into new light when understood in closer relation to their original audience. Interpreted in this way, these narratives allow us to refresh the memory that links us with pivotal stories in Jewish and Christian identities, they disclose more ample possibilities for being human, they foster our capacity for intercultural understanding, and they provide aesthetic pleasure from their embodying plots of great imaginative power.
