Hard Questions on Global Educational Change

Policies, Practices, and the Future of Education

Teachers College Press This new book, from internationally renowned education scholar Pasi Sahlberg and his colleagues, focuses on some of the most controversial issues in contemporary education reform around the world. The authors devote a chapter to each of these “hard questions”: Does parental choice improve education systems? Is there a future for teacher unions? What is the right answer to the standardized testing question? Can schools prepare children for the 21st-century workplace? Will technology save schools? Can anyone be a teacher? Should higher education be for the public good? What knowledge and skills should an educator have? Each educational change question sheds much-needed light on today’s large-scale education policies and related reforms around the world. The authors focus on what makes each question globally significant, what we know from international research, and what can be inferred from benchmark evidence. The final chapter offers a model for policymakers with implications for teaching, learning, and schooling overall. “This is an impressive and engaging book. If you care about the impacts of technology, testing, and teacher education designs, then this book will stretch your thinking and challenge your assumptions.” —Andy Hargreaves, Boston College “Fascinating case studies open up our imaginations and provide clues for the most sustainable pathways forward for educators in the years to come.” —Dennis Shirley, Boston College “Features enlightening chapters with an international perspective for educators and teacher educators alike. Highly recommended.” —David C. Berliner, Arizona State University

The Inheritance of Loss

Open Road + Grove/Atlantic Winner of the National Book Critics Circle Award and the Man Booker Prize: An “extraordinary” novel “lit by a moral intelligence at once fierce and tender” (*The New York Times Book Review*). In a crumbling, isolated house at the foot of Mount Kanchenjunga in the Himalayas, an embittered old judge wants only to retire in peace. But his life is upended when his sixteen-year-old orphaned granddaughter, Sai, arrives on his doorstep. The judge’s chatty cook watches over the girl, but his thoughts are mostly with his son, Biju, hopscoching from one miserable New York restaurant job to another, trying to stay a step ahead of the INS. When a Nepalese insurgency threatens Sai’s new-sprung romance with her tutor, the household descends into chaos. The cook witnesses India’s hierarchy being overturned and discarded. The judge revisits his past and his role in Sai and Biju’s intertwining lives. In a grasping world of colliding interests and conflicting desires, every moment holds out the possibility for hope or betrayal. Published to extraordinary acclaim, *The Inheritance of Loss* heralds Kiran Desai as one of our most insightful novelists. She illuminates the pain of exile and the ambiguities of postcolonialism with a tapestry of colorful characters and “uncannily beautiful” prose (*O: The Oprah Magazine*). “A book about tradition and modernity, the past and the future—and about the surprising ways both amusing and sorrowful, in which they all connect.” —*The Independent*

Power, Legal Education, and Law School Cultures

Routledge There is a myth that lingers around legal education in many democracies. That myth would have us believe that law students are admitted and then succeed based on raw merit, and that law schools are neutral settings in which professors (also selected and promoted based on merit) use their expertise to train those students to become lawyers. Based on original, empirical research, this book investigates this myth from myriad perspectives, diverse settings, and in different nations, revealing that hierarchies of power and cultural norms shape and maintain inequities in legal education. Embedded within law school cultures are assumptions that also stymie efforts at reform. The book examines hidden pedagogical messages, showing how presumptions about theory's relation to practice are refracted through the obfuscating lens of curricula. The contributors also tackle questions of class and market as they affect law training. Finally, this collection examines how structural barriers replicate injustice even within institutions representing themselves as democratic and open, revealing common dynamics across cultural and institutional forms. The chapters speak to similar issues and to one another about the influence of context, images of law and lawyers, the political economy of legal education, and the agency of students and faculty.

The Trial of Dedan Kimathi

Waveland Press Kenyan-born novelist and playwright Ngugi wa Thiong'o and his collaborator, Micere Githae Mugo, have built a powerful and challenging play out of the circumstances surrounding the 1956 trial of Dedan Kimathi, the celebrated Kenyan hero who led the Mau Mau rebellion against the British colonial regime in Kenya and was eventually hanged. A highly controversial character, Kimathi's life has been subject to intense propaganda by both the British government, who saw him as a vicious terrorist, and Kenyan nationalists, who viewed him as a man of great courage and commitment. Writing in the 1970s, the playwrights' response to colonialist writings about the Mau Mau movement in *The Trial of Dedan Kimathi* is to sing the praises of the deeds of this hero of the resistance who refused to surrender to British imperialism. It is not a reproduction of the farcical "trial" at Nyeri. Rather, according to the preface, it is "an imaginative recreation and interpretation of the collective will of the Kenyan peasants and workers in their refusal to break under sixty years of colonial torture and ruthless oppression by the British ruling classes and their continued determination to resist exploitation, oppression and new forms of

enslavement.”

The Joy of the Gospel

Evangelii Gaudium

Image **The perfect gift! A specially priced, beautifully designed hardcover edition of The Joy of the Gospel with a foreword by Robert Barron and an afterword by James Martin, SJ. “The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church’s journey in years to come.” - Pope Francis** This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for “the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned,” the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, “to recognize the traces of God’s Spirit in events great and small.” Profound in its insight, yet warm and accessible in its tone, The Joy of the Gospel is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

Republican Platform 2016

With this platform, we the Republican Party reaffirm the principles that unite us in a common purpose. We believe in American exceptionalism. We believe America is exceptional because of our historic role - first as refuge, then as defender, and now as exemplar of liberty for the world to see. We believe our constitutional system - limited government, separation of powers, federalism, and the rights of the people - must be preserved uncompromised for future generations. We believe political freedom and economic freedom are indivisible. When political freedom and economic freedom are separated - both are in peril; when united, they are invincible. We believe that people are the ultimate resource - and that the people, not the government, are the best stewards of our country's God-given natural resources. As Americans and as Republicans we wish for peace - so we insist on strength. We will make America safe. We seek friendship with all peoples and all nations, but we recognize and are prepared to deal with evil in the world. Based on these principles, this platform is an invitation and a roadmap. It invites every American to join us and shows the path to a stronger, safer, and more prosperous America.
