Religion Index One Periodicals PreK-12 English Language Proficiency Standards [Teachers of English to](#) The revised PreK-12 English Language Proficiency Standards build on the World-Class Instructional Design and Assessments (WIDA) Consortium's English Language Proficiency Standards for English Language Learners in Kindergarten through Grade 12 (Wisconsin, 2004). The WIDA Consortium is a group of ten states, formed in 2002 with federal monies, that has developed comprehensive English language proficiency standards. This volume also uses grade-level clusters that reflect current educational configurations in the United States. Each of the five language proficiency standards is divided into the four language domains of listening, speaking, reading and writing. The five levels of language proficiency reflect characteristics of language performance at each developmental stage and include: starting (L1), emerging (L2), developing (L3), expanding (L4), and bridging (L5). The Internal Law of Religions Introduction to a Comparative Discipline [Routledge](#) Comparative law of religions has developed in recent years as a new discipline at the intersection of legal and religious science, of theology and anthropology. This book presents a systematic theoretical basis for this new discipline. While law is mostly associated with the state, many religions also have their own internal law. These internal legal norms are aimed at a particular form of behaviour on the part of believers. They therefore play a particular role in conflicts arising today between certain religious forms of behaviour. The comparison of the internal law of religions serves to establish and explain the commonalities and differences between various religious legal traditions. The religions examined here include: the law of Christian denominations, Jewish law, Islamic law, Hindu law, Buddhist law, and other religious legal systems. The work assesses six current approaches to the comparative law of religions, evaluating their strengths and weaknesses, leading to the development of a new approach. The book discusses the role of religious law in state law and looks to likely future developments. The work will be essential for those interested in the administration of justice and politics, for those professions where intercultural competence is required, and for interreligious dialogue. Paper to Practice Using the TESOL English Language Proficiency Standards in PreK-12 Classrooms [Teachers of English to](#) Europe by Rail The Definitive Guide [Hidden Europe Publications](#) Whether you are making a long grand tour or just a short break, Europe by Rail is the perfect guide. The book describes over 50 key routes in detail. Together, they span mainland Europe and--brand new for this 16th edition--now also the British Isles. Each route can be followed in its entirety or used as a building block in a longer itinerary. Beyond the main routes you will find worthwhile excursions well off the beaten track. The routes are organized under the following headings: Discover Britain and Ireland A taste of France Through France to Spain Iberian Connections The Low Countries and the Rhine Prussia, Bavaria and beyond Central Europe Scandinavian Forays Alpine Adventures Roaming Italy Balkan Journeys Exploring East Written by two highly experienced travelers, Europe by Rail contains useful tips about how to plan your journey, what tickets to buy and where to stop off along the way. There are special sections for holders of rail passes, including Interrail and Eurail, as well as information on night trains. The country guide summarizes key information about traveling by train through each of the four dozen countries listed. Apart from being full of good advice and up-to-date information, Europe by Rail is also a great read with plenty to entertain and inform for armchair travelers. Law and Religious Cultural Heritage in Europe [Springer](#) This book examines in detail both historical and current legal concepts of 'religious cultural heritage' within the context of the European continent. The latter group is primarily based on the variety of sacred cultural elements emanating from the different religious traditions of the peoples of Europe, which are deemed worthy of protection and preservation due to their outstanding value, in terms of their social, cultural and religious significance. In view of this, the study provides evidence of the European States' active involvement with their sacred/cultural treasures, on the basis of the political and legal foundations of neutrality and pluralism. Furthermore, the book analyzes all relevant international legislative instruments (i.e. the plethora of EU, EC and UNESCO norms), as well as all major European legislative patterns, in light of their significance for the aforementioned aspects of pluralism and neutrality. The interdisciplinary references listed at the end of each chapter provide an additional incentive for further reading on the subject matter. The most important finding to emerge from the study is that there is a shared legal ethos in Europe that imposes a duty of appropriate care concerning the vast variety of sacred cultural goods and the religious cultural heritage in general, as an invaluable repository of European cultural capital. It also considers the sui generis nature of this capital: like any other type of asset, it may deteriorate or fade over time, necessitating investment in its preservation or refurbishment; nevertheless, like no other, this particular capital maintains a distinct cultural value, as it contains an additional characteristic of 'sacredness' expressed in the form of its 'religious character,' the latter being analyzed as a triptych of religious memory, religious aesthetics and religious beliefs. Judaism, Christianity, and Islam in the Course of History: Exchange and Conflicts [Walter de Gruyter GmbH & Co KG](#) Das Verhältnis zwischen Judentum, Christentum und Islam unterlag im Laufe der Geschichte vielfältigen Veränderungen. Let's Hear it for Almigal [Handfinger PressLlc](#) Tells the story of Almigal, a girl who receives a cochlear implant and can finally hear all the things she wished she could, including her parents whispering "We love you, Almigal." Muslim Community Organizations in the West History, Developments and Future Perspectives [Springer](#) The book focusses on the historical emergence and contemporary challenges of Muslim community organizations and their struggle for recognition as ordinary voices in multiethnic and multi-religious civil societies of Western democracies. It offers a range of different perspectives on how Muslim communities position themselves and navigate the social and political landscape shaped by, on the one hand, normalization of ethno-religious diversity and, on the other, ongoing misrecognition and essentialisation of Muslims in the West. The contributions from internationally acclaimed scholars as well as emerging researchers from Canada, the United Kingdom, France, Germany, Switzerland and Australia shine new light on both country-specific similarities and divergences. The Nuns of Sant'Ambrogio The True Story of a Convent in Scandal In 1858, a German princess, recently inducted into the convent of Sant'Ambrogio in Rome, wrote a frantic letter to her cousin, a confidant of the Pope, claiming that she was being abused and feared for her life. The subsequent investigation by the Church's Inquisition uncovered illicit behavior of the convent's beautiful young mistress, Maria Luisa. Having convinced those under her charge that she was having regular visions and heavenly visitations, Maria Luisa began to lead and coerce her novices into lesbian initiation rites and heresies. What emerges through the fog of centuries is a sex scandal of ecclesiastical significance. Pope and Devil The Vatican's Archives and the Third Reich [Harvard University Press](#) Wolf presents astonishing findings from the recently opened Vatican archives--discoveries that clarify the relations between National Socialism and the Vatican. He vividly illuminates the inner workings of the Vatican. Lithuanian Horses [Leidykla Baltos Lankos](#) Lithuanian horses are part of Lithuania's cultural heritage. Horse lovers, professionals and amateurs, know about the old horse breed ?emaitukas. Though ?emaitukai gave the beginning of three breeds: Trakehner, Lithuanian Heavy Draught Horses and ?emaitukas the heavy-type, they themselves were on the edge of the extinct many times. This book illuminates the common history of a Lithuanian and a horse in various aspects. The appearance of ?emaitukas and other Lithuanian horse breeds, their diffusion, the condition of equestrian sports and horse-breeding perspectives in Lithuania are reviewed in this stunning book. German Moravian Missionaries in the British Colony of Victoria, Australia, 1848-1908 Influential Strangers [BRILL](#) Focusing on the six decades that German Moravian missionaries worked in the British colony of Victoria, Australia, this book enriches understanding of colonial politics and the role of the non-British other in manipulating practice and policy in foreign realms. Central to the transnational nature of the book are questions of identity and of how individuals, and the organisations they worked for, can be seen as both colluders and

opposers within nation-state borders and politics. It analyses the ways in which the Moravian missionaries navigated competing agendas within the colonial setting, especially those that impacted on their sense of personal vocation, their practices of conversion, and their understandings of the indigenous non-Christian peoples in the settler society of Victoria. The Law of Possession Ritual, Healing, and the Secular State [Oxford University Press](#) Rituals combining healing with spirit possession and court-like proceedings are found around the world and throughout history. A person suffers from an illness that cannot be cured, for example, and in order to be healed performs a ritual involving a prosecution and a defense, a judge and witnesses. Divine beings then speak through oracles, spirits possess the victim and are exorcized, and local gods intervene to provide healing and justice. Such practices seem to be the very antithesis of modernity, and many modern, secular states have systematically attempted to eliminate them. What is the relationship between healing, spirit possession, and the law, and why are they so often combined? Why are such rituals largely absent from modern societies, and what happens to them when the state attempts to expunge them from their health and justice systems, or even to criminalize them? Despite the prevalence of rituals involving some or all of these elements, this volume represents the first attempt to compare and analyze them systematically. The Law of Possession brings together historical and contemporary case studies from East Asia, South Asia, and Africa, and argues that despite consistent attempts by modern, secular states to discourage, eliminate, and criminalize them, these types of rituals persist and even thrive because they meet widespread human needs. General catalogue of printed books [Religious Pluralism and Interreligious Theology The Gifford Lectures--An Extended Edition Orbis Books](#) General Catalogue of Printed Books Transformation by Integration How Inter-faith Encounter Changes Christianity [Hymns Ancient and Modern Ltd](#) A number of people experience their own spiritual lives as being inspired by more than one religious tradition. This title looks at a number of issues involved: what it means theologically to move beyond tolerance towards a genuine appreciation of other religions, and how multi-religious identity can be assessed theologically. Bible Stories for Little Hands [Studio Fun International](#) This board book of beloved Bible stories has a padded cover and is the perfect introduction to God's Word for babies and toddlers. "I'm sending rain," God said to Noah. "Build a boat that's wide. I'll send you all the animals, and you'll be safe inside." Nine favorite Bible stories and the Lord's Prayer come alive with beautiful illustrations and fun rhyming text in this book carefully designed for God's youngest children. What did Noah build? What happened to Jonah? Who is Jesus? Toddlers will find out in this padded collection that includes simple activities throughout. The perfect size for little hands. Federalism in Greek Antiquity [Cambridge University Press](#) The world of ancient Greece witnessed some of the most sophisticated and varied experiments with federalism in the pre-modern era. In the volatile interstate environment of Greece, federalism was a creative response to the challenge of establishing regional unity, while at the same time preserving a degree of local autonomy. To reconcile the forces of integration and independence, Greek federal states introduced, for example, the notion of proportional representation, the stratification of legal practice, and a federal grammar of festivals and cults. Federalism in Greek Antiquity provides the first comprehensive reassessment of the topic. It comprises detailed contributions on all federal states in Aegean Greece and its periphery. With every chapter written by a leading expert in the field, the book also incorporates thematic sections that place the topic in a broader historical and social-scientific context. Logische Untersuchungen Freedom, Imprisonment, and Slavery in the Pre-Modern World Cultural-Historical, Social-Literary, and Theoretical Reflections [Walter de Gruyter GmbH & Co KG](#) Contrary to common assumptions, medieval and early modern writers and poets often addressed the high value of freedom, whether we think of such fable authors as Marie de France or Ulrich Bonerius. Similarly, medieval history knows of numerous struggles by various peoples to maintain their own freedom or political independence. Nevertheless, as this study illustrates, throughout the pre-modern period, the loss of freedom could happen quite easily, affecting high and low (including kings and princes) and there are many literary texts and historical documents that address the problems of imprisonment and even enslavement (Georgius of Hungary, Johann Schiltberger, Hans Ulrich Krafft, etc.). Simultaneously, philosophers and theologians discussed intensively the fundamental question regarding free will (e.g., Augustine) and political freedom (e.g., John of Salisbury). Moreover, quite a large number of major pre-modern poets spent a long time in prison where they composed some of their major works (Boethius, Marco Polo, Charles d'Orléans, Thomas Malory, etc.). This book brings to light a vast range of relevant sources that confirm the existence of this fundamental and impactful discourse on freedom, imprisonment, and enslavement. International Knowledge Transfer in Religious Education [Waxmann Verlag](#) This book is about international knowledge transfer in religious education as an academic discipline; at the same time, though, it is related to the school subject of RE. Its aim is to strengthen the awareness of the need for international cooperation in the field of religious education in general and especially for clarifying the role of knowledge in this kind of cooperation. The contributions discuss a number of issues, among others related to the validity and transferability of knowledge in religious education. Thus, the book takes up a topic which so far has remained implicit and therefore also untreated. This approach implies a whole spectrum of new methodological and epistemological problems. Some crucial questions that are discussed in the chapters from different national contexts are: - How can the national and the international context be productively connected to each other? - Which concept or understanding of 'international' should be used when it comes to the transfer of knowledge? - What exactly is meant by 'knowledge' in religious education? - What does 'transfer' mean in this context? The scope of the book is an invitation to other colleagues to take part in and to continue the discussion. German books in print The Animals' Winter Sleep Rhyming text and labeled illustrations reveal how such northern creatures as white-tailed deer, beavers, red squirrels, and pileated woodpeckers spend the cold winter nights. Financing American Religion [Rowman Altamira](#) Brings together short essays that emerged from an evaluation of the Lilly Endowment Inc.'s Financing American Religion initiative. Nineteen chapters (some previously published in well known works and others only in difficult-to-find pamphlets) explore who gives, how much, and why. They investigate how money moves and how it affects religious organizational behavior as well as how attitudes toward money have altered over time. Topics include individual giving as well as congregations and religious organizations and their resources. Every Night Is Saturday Night A Country Girl's Journey To The Rock & Roll Hall of Fame [BMG Books](#) Wanda Jackson's debut single, "You Can't Have My Love," reached the Top 10 while she was still a sixteen-year-old high school student. She hit the road after graduation, playing package shows with Carl Perkins, Johnny Cash, Jerry Lee Lewis, and Elvis Presley, who gave Wanda his ring and asked her to be "his girl." With Presley's encouragement, the Oklahoma native began recording rock music, often releasing singles with country on one side and rock on the other during her decade-and-a-half tenure on Capitol Records. Known for her energetic stage shows and pioneering presence as a female artist, Wanda stormed the charts with a series of hit singles, including "Let's Have a Party," "Right or Wrong," and "In the Middle of a Heartache." With more than 40 albums to her credit, Wanda has proven to be an enduring and genre-defying legend of American music. In Every Night is Saturday Night, Wanda tells her own story of getting discovered by Country Music Hall of Famer Hank Thompson; shy she refused to return to The Grand Ole Opry for more than fifty years; the challenges she and her integrated band, The Party Timers, faced in the early 1960s; finding the love of her life; her recent work with rock luminaries Jack White and Joan Jett; and how her deep faith has sustained her over more than seven decades of rocking, shocking, and thrilling audiences around the globe. On the Way to Birdland Self-proclaimed teenage philosopher Cordell Wheaton lives in a sleepy, southern town where nothing ever happens; not since his hero, jazz musician John Coltrane, left some seventy years earlier to "follow the sound." Cordy's life has been unraveling since the night his father and his brother, Travis, exploded on each other. The night Travis's addiction transformed him from budding musician into something entirely different. The night Travis took his saxophone and disappeared. When Cordy's father falls ill, the sixteen-year-old vows to reunite the Wheaton family. He embarks on a modern-day odyssey with forty bucks in his pocket and a dream to find his brother and convince him to be Travis again--by taking him to a show at Birdland Jazz Club in New York City, and reminding him of the common bonds they share with their legendary hero. Cordy's journey is soon haunted by ghostly visions, traumatic dreams, and disembodied voices that echo through his mind. He starts to wonder if the voices are those of the fates, guiding him toward his destiny--or if he's losing his grip on reality. Lay Catholics in Schools Witnesses to Faith
