Raised by a crazed and oppressive stepfather, 18-year-old Mary Ashton finds herself swept off her feet by the duke and tossed out of her home for daring to kiss a man before marriage. By choosing to be with Rathe, Mary's life is completely transformed, leading an ordinary life as a college student during the day...and living the glamorous and passionate life as the duke's mistress at night. It's not the life she's dreamt of but the look in Rathe's eyes keeps Mary from leaving. It's a look that tells her maybe, just maybe he could fall in love with her, too. **The Brightest Star in the Sky** *M. Joseph* Fate is on its way to the tenants of 66 Star Street, bringing with it love and tragedy, friendship and heartbreak, and the power to change lives ... Moretti Inc.'s Administration Department. Misty has always wished for something exciting to spice up her boring-with-a-capital-B existence, but she never thought it would come in the form of a gorgeous six-foot-plus billionaire. The world knows him as Domenico Moretti, the ruthless, cunning, and aloof CEO of Moretti, Inc, a.k.a. her boss. Gifts of (mis)fortune come in threes, they say, and it's certainly the case with Misty, whose life is turned upside-down by Domenico Moretti's three shocking revelations. One, he's a werewolf (who's also a prince). Two, he wants her in his bed - him, the guy who actually had to file a TRO against an obsessive supermodel. And three, he has a proposition she never - and she means never - ever sees coming. **A Royal Heartbreak The Werewolf Prince and I, Book 2** Domenico Moretti used to have it all. He was prince to one of the most powerful and wealthiest Lyccan packs in the world, a warrior who made his opponents tremble in fear, a gorgeous billionaire every woman desired. She used to think Domenico Moretti loved her back...until his lies publicly shamed her with the revelation that she was never his mate and was only ever his pawn for revenge.When the threat of war looms closer, the alliance between non-human races is put to the test and forces the estranged couple to face each other again.To prove that his princess means more to him than anything else, Domenico makes the greatest sacrifice, laying his pride on the line and turning his back on his destiny. Domenico had hoped for a second chance, but heartbreak may all that awaits him when Misty seals her allegiance to the Faeries...by promising to wed another man. **Praying with Mary Sacred Prayers to the Blessed Mother for All Occasions** *Harper Collins* To praise Mary is to praise the way God chose to redeem the human race. All my life, my omega status has been a pain my ass. Shaping what other people assume about me. Determining who I date, or who'll date me. My own biology trying to tell me to slow down and have babies. Well screw that. Only I get to decide how I live my life, and I decided a long time ago I was going to be the best damn detective this city had ever seen. And yet here I am anyway, pregnant in the middle of a murder investigation. The highest profile investigation of my career. The thing that could shoot me to the top. Instead I'm busy fending off my would-be alpha, the oh so posh and traditional Sebastian Banks, Hellfire Club elite. If he had his way, I'd spend the rest of my life either in bed or the kitchen. If my body had its way, it would happily let him. It's everything I've spent my whole life resisting. Now more than ever, I have to focus on what really matters to me. But I can't help but wonder...is it really just simple biology that keeps pulling me back towards this man? Or is it something more? SEBASTIAN I've always lived my life according to certain expectations, and in return life has met mine. An omega cop who loudly asserts his independence at every opportunity falls nowhere within the boundaries of the expected. And yet Noah Wells manages to be all the more irresistible for it. I don't understand it. Or him. I don't know why he resists me or the attraction between us. More riddles to unravel, but I can be patient. I can be anything he wants or needs me to be, if he'll just give me the chance to show him. Funny, I thought I was supposed to be the alpha between us. Maybe there's more to his modern ideas than I would have thought. Not that he needs to know that, of course... Murder, mystery and mpreg abound in this 50,000 word tale of opposites attracting. The sparks between these two can be explosive, so please be eighteen years or older when following them into the bedroom!
