After centuries of terrorizing Europe as the world's most powerful vampire queen, Lenah is finally able to realize the dream all vampires have -- to be human again. After performing a dangerous ritual to restore her humanity, Lenah

entered a century-long hibernation, leaving behind the wicked coven she ruled over and the eternal love, Rhode, who sacrificed himself in the ritual to grant her deepest wish. But when Lenah draws her first natural breath in centuries at Wickham Boarding School in Lover's Bay, Massachusetts, she rediscovers a human life that bears little resemblance to the one she had known. As if suddenly waking up a teenager isn't hard enough, she has to dress herself appropriately, go to class, and be gawked at as the beautiful new girl, all while learning her new human senses and weaknesses -- and trying not to fall in love with Justin, the most popular guy in school. And right when she thinks she has the hang of it, the worst happens: Her old life collides violently with her new one, making Lenah realize how attached she's become to her humanity. How can she choose between protecting her new friends and honoring her past? "Infinite Days is a wonderfully sexy, dark novel full of lush prose.
